ASX STATEMENT

UPDATE ON ACQUISITION OF EMU DOWNS WIND FARM

Transfield Services Infrastructure Fund (TSI Fund) announced it had completed the acquisition of four wind farms from the Queensland government in an ASX Statement dated 21 December 2007.

We also stated that the acquisition of a 50% share in Emu Downs wind farm was scheduled for completion in early 2008.

The completion of the acquisition of Emu Downs wind farm is subject to the Queensland Government receiving necessary approvals. This condition of purchase is yet to be satisfied.

The Queensland Government is continuing to pursue satisfaction of this condition to facilitate completion of the acquisition. The Queensland government has until December 2008 to satisfy this condition of purchase.

TSI Fund remains committed to completion of the purchase of Emu Downs wind farm.
