

# Quarterly Report

For the 3 Months ended June 2018

This Quarterly Report updates activities undertaken during the period 1 April 2018 to 30 June 2018.

## 1. PROJECTS

### Savoy Hill Coal Project (100%)

An application for renewal of the Savoy Hill tenement, Exploration Licence 6812 (**EL 6812**), was lodged with the Department of Planning and Environment, Resources and Geosciences, on 19 June 2018.

## 2. NUCOAL'S LEGAL CASES

### Background

On 31 January 2014, the NSW Government passed the *Mining Amendment (ICAC Operations Jasper and Acacia) Act 2014* (NSW) (**Mining Amendment Act**), cancelling Exploration Licence 7270 (**EL 7270**) with no compensation payable to NuCoal or its shareholders. The legislation was passed following an inquiry by the Independent Commission Against Corruption (**ICAC**).

During the quarter, NuCoal continued to implement the legal and political strategy previously announced to seek redress for shareholders following the unfair and unjust cancellation of EL 7270 by the NSW Government.

### Free Trade Actions

The Company is continuing to pursue claims against the Australian Government on behalf of U.S. shareholders under the Australia US Free Trade Agreement (**AUSFTA**). This potential international action is being progressed with a view to obtaining compensation from the Australian Government for the decision by the NSW Parliament to expropriate EL 7270 without payment of compensation.

During the last number of months, NuCoal lobbyists in the United States of America, BGR Group, have continued to progress this action and have met with numerous relevant US Government Officials. Via public record, NuCoal is able to confirm that representations have been made by

the US Trade Representative, Robert Lighthizer, to The Hon Steven Ciobo requesting consultations under the AUSFTA in respect of the NuCoal matter.

U.S. shareholders continue to work closely with NuCoal and BGR in pursuit of compensation. As previously communicated, shareholders should note that any successful action directly under the AUSFTA will benefit only the shareholders who bring and participate in the action (ie. US shareholders in NuCoal who held shares at the time of expropriation).

### Shareholder Requests

During the last number of weeks the Company has contacted all shareholders in NSW to encourage them to make contact with their local MP's and outline the losses they have incurred as a result of the cancellation of EL 7270 by the NSW Government, without compensation.

In addition to contacting shareholders, NuCoal has also made direct contact with all local MP's, Upper House Representatives and a number of politicians from a Federal level. As part of this correspondence, the Company has asked for their support in advocating a fair and independent process to support ICAC's recommendation regarding compensation.

## **3. OTHER RELEVANT MATTERS**

### Social media – "Wave the Flag"

A number of relevant articles have been posted to WaveTheFlag.org.au over the last few months with matters concerning the NuCoal story continuing to be a key focus.

We continue to invite all shareholders to participate in this forum as it is a good opportunity to collectively be the "voice for reason" amongst numerous unreasonable voices of mal-aligned intentions.

## **4. CORPORATE**

Cash and deposits as at 30 June 2018 were A\$4.6 million.
