Note 1. General information

The financial statements cover Reedy Lagoon Corporation Limited as a consolidated entity consisting of Reedy Lagoon Corporation Limited and the entities it controlled at the end of, or during, the half-year. The financial statements are presented in Australian dollars, which is Reedy Lagoon Corporation Limited's functional and presentation currency.

Reedy Lagoon Corporation Limited is a listed public company limited by shares, incorporated and domiciled in Australia. Its registered office and principal place of business is:

Level 44, 600 Bourke Street Melbourne Victoria 3000

The nature of the consolidated entity's operations and its principal activities are mineral exploration.

The financial statements were authorised for issue, in accordance with a resolution of directors, on 16 March 2024. The directors have the power to amend and reissue the financial statements.

Comparatives

The following comparative balances have been amended to be in line with balances at 31 December 2023

- Other Expenses
- Administration expenses

Note 2. Material accounting policies

These general purpose financial statements for the interim half-year reporting period ended 31 December 2023 have been prepared in accordance with Australian Accounting Standard AASB 134 'Interim Financial Reporting' and the Corporations Act 2001, as appropriate for forprofit oriented entities. Compliance with AASB 134 ensures compliance with International Financial Reporting Standard IAS 34 'Interim Financial Reporting'.

These general purpose financial statements do not include all the notes of the type normally included in annual financial statements. Accordingly, these financial statements are to be read in conjunction with the annual report for the year ended 30 June 2023 and any public announcements made by the Company during the interim reporting period in accordance with the continuous disclosure requirements of the Corporations Act 2001.

The principal accounting policies adopted are consistent with those of the previous financial year and corresponding interim reporting period, unless otherwise stated.

New or amended Accounting Standards and Interpretations adopted

The consolidated entity has adopted all of the new or amended Accounting Standards and Interpretations issued by the Australian Accounting Standards Board ('AASB') that are mandatory for the current reporting period.

Any new or amended Accounting Standards or Interpretations that are not yet mandatory have not been early adopted.

Note 2. Material accounting policies (continued)

Going concern

The financial report has been prepared on a going concern basis.

As at 31 December 2023, the consolidated entity had cash and cash equivalents of \$211,328 and incurred net operating cash outflows of \$459,043 for the six month period ended on that date. These \$459,043 outflows include exploration expenditure of \$242,593 of which \$105,327 are prepayments for future periods. The Company estimates expenditure of \$362,930 for overheads including wages and listing fees for the 12 month period following the date of this report, and expects to raise capital by issuing securities.

The directors consider the existing cash reserves together with funds derived from planned joint venture arrangements or from raising capital by issuing securities will be sufficient for the consolidated entity to continue as a going concern. The Company plans to fund continued exploration on its existing projects through joint venture under project farm out agreements or by raising capital by issuing securities.

At the date of this report no joint venture farm out agreement had been entered into for any project. Should such funding sources not be obtained and the Company be unable to raise capital by issuing shares, the consolidated entity may be unable to continue as a going concern, and as such be required to realise its assets and extinguish its liabilities other than in the ordinary course of business, and at amounts that differ from those stated in this financial report. It is noted that the Company's exploration projects are carried for accounting purposes at nil value so that should the projects be discontinued there would be no adjustment to the value of the Company's assets. However should the Company discontinue all its exploration projects, a fundamental change in the basis of accounting would be required compared to the basis upon which these financial statements have been prepared. This financial report does not include any adjustments relating to the recoverability and classification of recorded asset amounts or to the amounts and classification of liabilities that might be necessarily incurred should the consolidated entity not be able to continue as a going concern.

Note 3. Operating segments

Identification of reportable operating segments

The Company is organised into one operating segments: mineral exploration. This operating segment is based on the internal reports that are reviewed and used by the Board of Directors (who are identified as the Chief Operating Decision Makers ('CODM')) in assessing performance and in determining the allocation of resources.

Note 8. Contingent liabilities

The Company is not aware of any contingent liabilities other than outstanding rehabilitation of a drill site used by the Company during drilling at its Columbus Salt Marsh project (drill hole CBD-01). An amount of \$10,000 has been allocated for this work which is expected to be completed in the normal course of business.

Note 9. Events after the reporting period

There are no events after the reporting period.

Note 10. Share-based payments

A share option plan has been established by the Company and approved by shareholders at a general meeting, whereby the Company may, at the discretion of the board, grant options over ordinary shares in the Company to certain key management personnel.

Remuneration arrangements of key management personnel are disclosed in the annual financial report. In addition, on 18 December 2023, after approval at the Company's annual general meeting, a total of 900,000 options were issued to directors as part of their remuneration packages. Each director received the below options:-

- Geoffrey H. Fethers 500,000 options, exercise price 0.0069 cents, expiring on 31/12/2026 with a value \$1,773
- Jonathan M. Hamer 300,000 options, exercise price 0.0069 cents, expiring on 31/12/2026 with a value \$1,064, and
- Adrian C. Griffin 100,000 options, exercise price 0.0069 cents, expiring on 31/12/2026 with a value \$355

* Payment in respect of prior period

Directors agreed to not receive or be entitled to receive portions of their contracted remuneration for the period 1 March 2022 to 31 December 2023 on the basis that amounts not receivable during the period may become payable if and only if (1) the board agreed to make any payment; (2) the Company is solvent at the time of the payment; and (3) the Company would remain solvent after the payment. This was agreed by the directors in order to reduce overheads, increase available funding for exploration and preserve cash, pending raising additional funds through issuing shares. The Board will not agree to make any payment under condition (1) unless both conditions (2) and (3) are able to be satisfied. The directors have assessed the disclosure requirements under AASB 137 and concluded that there is no contingent liability in relation to payment in respect of prior period.

Amounts that had not been paid to directors for the period 1 March 2022 to 31 December 2022 were paid to the directors under a scheme approved by Shareholders at the 2022 AGM. At 31 December 2023 the amount not paid totalled \$132,930.

The directors proposed at the annual general meeting held on 22 November 2023 ("AGM") that some or all of these conditional payments become payable, but only on the further condition that any amounts paid (after allowing for tax on such amounts which the director may request be paid free of this further condition) would be applied by the directors to subscribe for new fully paid ordinary shares in the Company ("Shares") at an issue price equal to the 5 day VWAP on the day prior to issue ("the Scheme"). Under the Scheme any amount paid to a director (other than amounts in respect of tax requested by that director to be free of the subscription requirement) would be returned to the Company as new share capital issued at market.

Shareholders approved the Scheme at the AGM, Adrian C. Griffin was paid \$20,000 under the Scheme and subscribed \$20,000 for 2,857,143 fully paid shares in the consolidated entity at market (\$0.007) on the 18 December 2023.

Accordingly the "increase" in payments to directors is a payment in respect of payments not made in respect of prior periods. There has been no increase in remuneration rates to directors in the relevant period.

Note 12. Non-Current liabilities - Subordinated Loan	Consol	idated
	December	June
	2023 \$	2023 \$
Subordinated Loan	300,000	200,000

During the year ended 30 June 2023, a director provided \$200,000 to the consolidated entity by way of interest-free subordinated loans repayable on demand but only if the consolidated entity is able to make repayment and remain solvent (that is, the loan is effectively subordinated to all other creditors). The Director has agreed that he will not at any time prior to September 2025 call for repayment of any part of the \$200,000 lent by him to the Company if that repayment would jeopardise the ability of the Company to continue to trade or meet its other liabilities as they fall due.

During the half year ended 31 December 2023, the director provided a further \$100,000 to the consolidated entity under the same terms as previous loans, making the total subordinated loan to be \$300,000 at balance date.

Reedy Lagoon Corporation Limited Directors' declaration 31 December 2023

In the directors' opinion:

- the attached financial statements and notes comply with the Corporations Act 2001, Australian Accounting Standard AASB 134 'Interim Financial Reporting', the Corporations Regulations 2001 and other mandatory professional reporting requirements;
- the attached financial statements and notes give a true and fair view of the consolidated entity's financial position as at 31 December 2023 and of its performance for the financial half-year ended on that date; and
- there are reasonable grounds to believe that the Company will be able to pay its debts as and when they become due and payable.

Independent Auditor's Review Report

To the members of Reedy Lagoon Corporation Limited

Report on the Half-year Financial Report

Conclusion

We have reviewed the accompanying Half-year Financial Report of Reedy Lagoon Corporation Limited and its controlled entities (the "Group").

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the Half-year Financial Report of the Group is not in accordance with the Corporations Act 2001, including:

- Giving a true and fair view of the Group's financial position as at 31 December 2023 and of its performance for the Half-year ended on that date; and
- Complying with Australian Accounting Standard AASB 134 Interim Financial Reporting and the Corporations Regulations 2001.

The Half-year Financial Report comprises:

- Consolidated statement of financial position as at 31 December 2023;
- Consolidated statement of profit or loss and other comprehensive income, Consolidated statement of changes in equity and Consolidated statement of cash flows for the Half-year ended on that date;
- Notes 1 to 11 comprising a summary of material accounting policies and other explanatory information; and
- The Directors' Declaration.

The Group comprises Reedy Lagoon Corporation Limited (the Company) and the entities it controlled at the half year's end or from time to time during the half year.

Material Uncertainty Related to Going Concern

We draw attention to Note 2 in the financial report, which the consolidated entity had cash and cash equivalents of \$211,328 and incurred net operating cash outflows of \$459,043 for the six month period ended on that date. These \$459,043 outflows include exploration expenditure of \$242,593 of which \$105,327 are prepayments for future periods. The Company estimates expenditure of \$362,930 for overheads including wages and listing fees for the 12 month period following the date of this report, and expects to raise capital by issuing securities.

Accordingly, the financial report has been prepared on a going concern basis. No adjustments have been made to the financial report relating to the recoverability and classification of the asset carrying amounts or the amount and classification of liabilities that might be necessary should the Group not continue as a going concern. Our opinion is not modified in respect of this matter.

Responsibilities of the Directors for the Half-year Financial Report The Directors of the Company are responsible for:

- The preparation of the Half-year Financial Report that gives a true and fair view in accordance with Australian Accounting Standards and Corporations Act 2001
- For such internal control as the Directors determine is necessary to enable the preparation of the Half-year Financial Report that is free from material misstatement, whether due to fraud or error.

Auditor's responsibility for the review of the Half-year Financial Report

Our responsibility is to express a conclusion on the Half-year Financial Report based on our review. We conducted our review in accordance with Auditing Standard on Review Engagements ASRE 2410 Review of a Financial Report Performed by the Independent Auditor of the Entity, in order to state whether, on the basis of the procedures described, we have become aware of any matter that makes us believe that the Half-year Financial Report is not in accordance with the Corporations Act 2001 including: giving a true and fair view of the Group's financial position as at 31 December 2023 and its performance for the half-year ended on that date; and complying with Australian Accounting Standard AASB 134 Interim Financial Reporting and the Corporations Regulations 2001. As auditor of Reedy Lagoon Corporation Limited and its controlled entities, ASRE 2410 requires that we comply with the ethical requirements relevant to the audit of the annual financial report.

A review of a Half-year Financial Report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

In conducting our review, we have complied with the independence requirements of the Corporations Act 2001.
