The Share were issued to employees under the Company's Employee Share Plan (ESP) as a part of the ESP grants in October 2021 and September 2022. Some of those employees have ceased employment with the Company and the loans made to the employees to fund the issue of the shares became repayable on the cessation of employment. In accordance with the terms of ESP, the Board has determined the Company will buyback and cancel the relevant shares, with the proceeds applied to offset the loans.
