Draig Resources Limited (ASX:DRG) ("**Draig**") advises that it has issued 10,650,000 Performance Rights to key management personnel, staff and consultants, aligning their interests to that of the Company's shareholders and assisting as an effective means of retaining key staff as the Company moves into a key growth phase from its flagship project, the Bellevue Gold Project.

The Board spent a considerable amount of time focussing on the incentive rights framework, in particular ensuring the performance hurdles relate to Company value accretion including resource growth, exploration success, health and safety and corporate governance.

The Performance Rights are being issued under the Company's Employee Incentive Plan that was approved by shareholders on 20 October 2017.

Please find attached the Appendix 3B in relation to the Performance Rights Issues.

Yours faithfully
