ent Notification of return of capital by way of in specie distribution of *securities in another entity

+Rule 3.10.1, 3.20.4, 7.18-7.24, 15.3, Appendix 7A section 9

Appendix 3A.5

Notification of return of capital by way of in specie distribution of *securities in another entity

Information or documents not available now must be given to ASX as soon as available. Information and documents given to ASX become ASX's property and may be made public.

Please note that two or more corporate actions on the same *security may not run with different record dates if the timetables result in overlapping (but not identical) ex-periods. It is permissible to run different corporate actions with the same record date except in the case of consolidations or splits which cannot run at the same time as any other corporate action for that entity.

If you are an entity incorporated outside Australia, for *securities other than CDIs / depository interests, please obtain and provide an International Securities Identification Number (ISIN) for the class(es) of *securities to be created during your corporate action. The ISIN(s) should be advised in the Further Information section of this form. Further information on this requirement can be found in the Online Forms section of ASX Online for companies.

The balance of the information, where applicable, must be provided as soon as reasonably practicable by the entity.

If a cash special dividend is paid at the same time as the return of capital the entity must also lodge Appendix 3A.1 – notification of dividend / distribution.
