### **NEWS RELEASE**

#### **Autron's Electronics Subsidiary Expects to Reap Additional Sales of RMB80million (A\$12.80million) with New Supply Chain Partner**

- Huawei Technologies Co. Ltd appoints DBG Holdings Limited, a subsidiary of Autron Corporation Limited as supply chain partner
- New relationship is expected to bring in additional sales of RMB80million (A\$12.80million) over the next 12 months
- DBG turnover at 31 December 2007 expected to increase by 30% compared to last year
- Expected expansion by additional 50% capacity to be completed in May 2008

Singapore, September 19, 2007 – Autron Corporation Limited (“Autron” or the “Group”), a mainboard listed company on the Australian Exchange and the Singapore Exchange, is pleased to announce that its subsidiary, DBG Holdings Limited (“DBG Group”), has been appointed by Huawei Technologies Co. Ltd (“Huawei”) as its supply chain partner with immediate effect.

Huawei is a leading provider of telecom solutions for products, such as mobile phones, wireless products and Internet Protocol (IP) based Fixed Mobile Convergence (FMC) solutions, with annual revenue growth of approximately 44.81%. This partnership is expected to reap additional sales of RMB80million (A\$12.80million) over the next 12 months for DBG Group, and will be mutually beneficial for both parties. With this successful partnership, DBG Group is expecting turnover at 31 December 2007 to increase by 30% compared to December 2006, RMB671million (A\$107.36million).

Currently, DBG Group is one of the top five players in the Electronics Manufacturing Services (EMS) industry in Southern China. Mr Eric Lim, Group CEO of Autron said, “Over the years, the DBG Group has established itself as a serious and credible player in the industry, and we can expect the good name of the company and track record to attract more Multinational

Corporations (MNCs) customers especially the big Chinese customers like Huawei to be our manufacturing partners. With the new partnership augmenting to the business of DBG Group, consistent growth can be expected over the next few years from the electronics division of Autron Group”.

Mr Tong KH, Managing Director of DBG Group said, “It is an honor and our great pleasure to commence a working relationship with Huawei. We are extremely optimistic about this partnership and this would allow DBG Group to realize its maximum potential and reap great gains in the future.”

Mr Eric Lim gave an optimistic outlook for DBG Group’s future: “With this expected increase in demand, our current manufacturing facility of approximately 597,000 sq feet, is running at almost 100% capacity. We are committed to expanding the business by building additional 50% capacity, all of which is to be completed by May 2008 and financed by internal cashflow. With Huawei’s partnership, Autron will be able to capture the fastest growth segment in the China market, which is led by Chinese companies such as Huawei. ”

None of the Directors, Officers or substantial shareholders of the Company has any interest, direct or indirect, in the above partnership.
