## **ABC Learning Centres signs Corporate Child Care Agreement with ANZ**

Le Neve Groves, Joint Managing Director of A.B.C. Learning Centres Limited (ABC) announced today that the company has been contracted by ANZ to build and operate childcare services for ANZ staff across the country.

Mrs Groves said that site development is well advanced with the first of the initial 14 centres scheduled to open during 2004 in Melbourne, Sydney, Brisbane and Perth.

“This corporate childcare initiative will increase ABC’s share of the corporate market and maintain ABC’s growth impetus in this significant market sector” said Mrs Groves.

ABC Chairman, Sallyanne Atkinson, said the agreement reflected the growing realisation in Australia that developing family-friendly policies is good for the community and is crucial to enhancing productivity and staff retention.

“Employers are becoming increasingly aware that a corporate child care program is a critical part of a modern flexible workplace. ABC is committed to servicing this growing market and keen to extend its quality services for the benefit of employers and staff”, said Mrs Atkinson.
