ANNOUNCEMENT REGARDING CEO EUROPE

Domino's Pizza Enterprises Limited (ASX:DMP) notes speculation in the UK media that its CEO Europe, Andrew Rennie, has been identified as a leading candidate to replace the outgoing Managing Director of Domino's Pizza Group, plc, the holder of the Domino's Pizza master franchise in the United Kingdom & Ireland. DPE advises that there is no substance to that speculation and Andrew has confirmed that he is committed to his current role.

Mr Rennie said: "As a senior executive in this business, and a significant holder of DMP shares, I am invested in our future and look forward to delivering on the growth plans we have outlined to the market."
