

28 April 2022

#### **REPORT FOR THE QUARTER ENDED 31 MARCH 2022**

**Bioxyne Limited** (ASX Code: BXN) (Bioxyne or the Company) is pleased to report on its activities for the guarter ended 31 March 2022.

#### **Highlights**

- Subsequent to 31 March, travel restrictions in Malaysia and Indonesia were eased
- Positive operating cash flow for the YTD, break even for the quarter
- Cash balance remains at ~\$2 million
- Revenues 147% up quarter on quarter previous year and +36% up for YTD
- First shipment to Asia of ColosNZ PRO delivered in the quarter

#### Results

Sales revenue (unaudited) for nine months YTD 2022 was \$1,991k ( 2021: \$1,467k), +36% up on the previous half year. A shipment of ColosNZ PRO to Asia was delivered in the quarter.

Wholesale sales of *Lactobacillus fermentum* PCC® remains strong (+37% up on YTD FY2021) and the outlook remains positive for this key immune boosting ingredient in consumer probiotics in this COVID environment. The direct sales business in Indonesia continues to grow modestly and the Company continues to seek opportunities to expand distribution in other Asian countries for its PCC® product.

The unaudited result for the nine months YTD is a loss of \$103k after taking up an impairment charge of \$142,000 (\$70,000 in the quarter) against inventory held in Asian countries where COVID has slowed sales and pushed product beyond expiry date.

The Company achieved break even Operating Cashflow of \$(4)k for the quarter and \$358k for the nine months YTD. Cash at the end of the quarter \$1.97m.

# **Operations**

The easing of travel restrictions in Malaysia and Indonesia, post 31 March 2022 would provide greater consumer confidence in the direct sales markets. Most Asian countries are adopting the policy of Living with COVID strategy.

The order of ColosNZ PRO to South East Asia with value ~\$312k was finally shipped during the quarter and the Group expects a follow up order shortly, and growing revenue from this product going forward.

Wholesale sales of *Lactobacillus fermentum* PCC® continues to firm and direct sales in Indonesia achieving a modest \$40k per month despite ongoing COVID challenges.

The Company has successfully completed a pre-mix colostrum coffee pilot production during the quarter and the first commercial order has now been deferred to the June quarter 2022.

The Bioxyne product suite comprises:

**Progastrim™** (PCC®) - clinically tested proprietary patented probiotic, for general gut health and immune support

Mymana™ – colostrum and fortified milk formula for nutrition and immune support

ColosNZ PRO™ – enhanced colostrum and fortified milk formula for nutrition and immune support

**Col-Coffee™** - three in one instant coffee mix with colostrum

**BK18™** – NZ dairy-based formula with probiotics and vitamins for general health and immune support

**Allura™** – weight management and beauty drink for women

Mustang™ – weight management and vitality shake for men

#### New business opportunities focus

The Company is actively seeking acquisitions of businesses or products to broaden its operating base which would build shareholder value. The Company has executed a mandate with a corporate advisory company to accelerate progress.

#### Corporate

Payments to related parties and their associates during the quarter of \$65,000 comprise director and non-executive director salaries, fees and superannuation.

This quarterly activity report has been approved by the Board.

### **About Bioxyne**

Bioxyne Limited (ASX:BXN) is an Australian health and wellness products company (incorporated in 2000) with a focus on clinically effective health and wellness products particularly in the gut and immune health areas.

Bioxyne is in the consumer dietary supplements and functional foods markets through its proprietary probiotic, *Lactobacillus fermentum* VRI-003 (PCC°), and through its direct sales business trading as Bioxyne International, the Company has developed a range of functional food products containing ingredients sourced primarily from New Zealand.

Bioxyne's probiotic business is supported by a manufacturing and distribution agreement with Chr. Hansen (Denmark) a global leader in the manufacturing of natural food additives and supplements products for the food, health, pharmaceutical and agriculture industries.

Bioxyne has a distribution agreement for PCC° with Nu-Skin Enterprises (USA) a successful worldwide direct selling company.

#### Notes

- 1. This quarterly cash flow report and the accompanying activity report provide a basis for informing the market about the entity's activities for the past quarter, how they have been financed and the effect this has had on its cash position. An entity that wishes to disclose additional information over and above the minimum required under the Listing Rules is encouraged to do so.
- If this quarterly cash flow report has been prepared in accordance with Australian Accounting Standards, the definitions in, and provisions of, AASB 107: Statement of Cash Flows apply to this report. If this quarterly cash flow report has been prepared in accordance with other accounting standards agreed by ASX pursuant to Listing Rule 19.11A, the corresponding equivalent standard applies to this report.
- 3. Dividends received may be classified either as cash flows from operating activities or cash flows from investing activities, depending on the accounting policy of the entity.
- 4. If this report has been authorised for release to the market by your board of directors, you can insert here: "By the board". If it has been authorised for release to the market by a committee of your board of directors, you can insert here: "By the [name of board committee eg Audit and Risk Committee]". If it has been authorised for release to the market by a disclosure committee, you can insert here: "By the Disclosure Committee".
- If this report has been authorised for release to the market by your board of directors and you wish to hold yourself out as complying with recommendation 4.2 of the ASX Corporate Governance Council's *Corporate Governance Principles and Recommendations*, the board should have received a declaration from its CEO and CFO that, in their opinion, the financial records of the entity have been properly maintained, that this report complies with the appropriate accounting standards and gives a true and fair view of the cash flows of the entity, and that their opinion has been formed on the basis of a sound system of risk management and internal control which is operating effectively.
