Directors' Report

The Directors of Associate Global Partners Limited (formerly Switzer Asset Management Limited) (ABN 26 123 611 978), the Responsible Entity of Switzer Dividend Growth Fund, present their report together with the financial statements of Switzer Dividend Growth Fund (the **Fund**) for the year ended 30 June 2022.

The Fund is an Australian registered managed investment scheme which listed on the Australian Stock Exchange on 24 February 2017.

Responsible Entity

The Responsible Entity of Switzer Dividend Growth Fund is Associate Global Partners Limited (ABN 26 123 611 978). The Responsible Entity's registered office is Level 6, 10 Spring Street, Sydney NSW 2000.

On 20 April 2022, the Responsible Entity announced that it had changed its name from Switzer Asset Management Limited to Associate Global Partners Limited. The name change had no impact on the operation of the Fund, the name of the Fund or the way the Fund invests.

Principal activities

The Fund aims to provide Australian resident investors with tax effective income and long-term capital growth by investing in a core portfolio of blue-chip Australian shares. The Fund's investment portfolio comprises between approximately 30 and 50 stocks, drawn from within the largest 200 companies (by market capitalisation) listed on the ASX. The portfolio is managed to deliver capital growth while providing investors with a monthly income stream.

From 31 January 2022, distributions to investors from SWTZ were paid monthly instead of quarterly. Since its establishment in 2017, SWTZ has met its objective of delivering an attractive income stream paid quarterly to investors. However, this change to monthly payments was implemented to make the Fund more contemporary for investors seeking regular income and provide a basis for increased investor communication.

The Fund will not incur any additional costs relating to the more frequent distributions as all administrative costs relating to the payment of distributions will continue to be borne by the Fund's Responsible Entity, Associate Global Partners Limited.

The Fund did not have any employees during the year.

There were no significant changes in the nature of the Fund's activities during the year.

Directors

The following persons held office as Directors of the Responsible Entity during the year and up to the date of this report:

Name	Title
Peter Switzer	Non-Executive Director (resigned as Chairman on 7 December 2021)
Andrew Meakin	Non-Executive Director
Martin Switzer	Non-Executive Director
James McNally	Chairman and Non-Executive Director (appointed 7 December 2021)

Directors' Report (continued)

Review and results of operations

The Fund continued to invest funds in accordance with target asset allocations as set out in the governing documents of the Fund and in accordance with the provisions of the Fund's Constitution.

For the year ended 30 June 2022, the Fund paid total distributions of 14.91 cents per unit. This equates to a net distribution yield of 5.60% and a gross distribution yield of 7.42% inclusive of franking credits. Distribution yield is calculated based on the distributions attributable to the 12 months ended 30 June 2022, relative to the Fund's closing listed unit price of \$2.66 as at 30 June 2021.

The performance of the Fund, as represented by the results of its operations, was as follows.

	30 June 2022	30 June 2021
(Loss)/Profit before finance costs attributable to unitholders (\$'000)	(1,973)	18,401
Distributions paid and payable (\$'000)	4,038	1,869
Distributions (cents per unit - CPU)	14.905	5.743

Significant changes in state of affairs

In the opinion of the Directors, there were no significant changes in the state of affairs of the Fund that occurred during the year.

Likely developments and expected results of operations

The Fund will continue to be managed in accordance with the investment objectives and guidelines as set out in the governing documents of the Fund and in accordance with the provisions of the Fund's Constitution.

Further information on likely developments in the operations of the Fund and the expected results of those operations have not been included in this report because the Responsible Entity believes it would be likely to result in unreasonable prejudice to the Fund.

Indemnification and insurance of officers and auditors

No insurance premiums are paid for out of the assets of the Fund in regard to insurance cover provided to either the officers of Switzer Dividend Growth Fund or the auditors of the Fund. So long as the officers of Switzer Dividend Growth Fund act in accordance with the Fund's Constitution and the *Corporations Act 2001*, the officers remain indemnified out of the assets of the Fund against losses incurred while acting on behalf of the Fund. The auditors of the Fund are in no way indemnified out of the assets of the Fund.

Fees paid to and interests held in the Fund by the Responsible Entity or its associates

Fees paid to the Responsible Entity and its associates out of Fund property during the year are disclosed in Note 13 of the financial statements.

No fees were paid out of Fund property to the Directors of the Responsible Entity during the year.

The number of interests in the Fund held by the Responsible Entity or its associates as at the end of the year are disclosed in Note 13 of the financial statements.

Interests in the Fund

The movements in units on issue in the Fund during the year are disclosed in Note 6 to the financial statements.

The value of the Fund's assets and liabilities is disclosed on the Statement of Financial Position and derived using the basis set out in Note 2 to the financial statements.

Directors' Report (continued)

Environmental Regulation

The operations of the Fund are not subject to any particular or significant environmental regulations under a Commonwealth, State or Territory law.

Events occurring after the year

Except as disclosed in Note 18 in the financial statements, no other matter or circumstance has arisen since 30 June 2022 that has significantly affected, or may significantly affect:

- (i) the operations of the Fund in future years, or
- (ii) the results of those operations in future years, or
- (iii) the state of affairs of the Fund in future years.

Rounding of amounts to the nearest thousand

The Fund is an entity of the kind referred to in *ASIC Corporations (Rounding in Financial/Directors' Reports) Instrument 2016/191* issued by the Australian Securities and Investments Commission (**ASIC**), relating to the "rounding off" of amounts in the Director's Report. Amounts in the Director's Report have been rounded to the nearest thousand dollars in accordance with that ASIC Instrument, unless otherwise indicated.

Auditor's Independence Declaration

A copy of the Auditor's independence declaration as required under section 307C of the *Corporations Act 2001* is set out on page 4.

This report is made in accordance with a resolution of the Directors.

Auditor's Independence Declaration to the Directors of Associate Global Partners Limited as Responsible Entity of Switzer Dividend Growth Fund

As lead auditor for the audit of the financial report of Switzer Dividend Growth Fund for the financial year ended 30 June 2022, I declare to the best of my knowledge and belief, there have been:

- a. no contraventions of the auditor independence requirements of the *Corporations Act 2001* in relation to the audit;
- b. no contraventions of any applicable code of professional conduct in relation to the audit; and
- c. no non-audit services provided that contravene any applicable code of professional conduct in relation to the audit.

Notes to the Financial Statements

1. General information

These financial statements cover Switzer Dividend Growth Fund (the **Fund**) as an individual entity. The Fund was constituted on 18 August 2016 and listed on the Australian Stock Exchange on the 24th of February 2017. The Fund will terminate on 7 August 2096 unless terminated earlier in accordance with the provisions of the Fund's Constitution. The Fund's investment portfolio comprises stocks drawn from within the largest 200 companies (by market capitalisation) listed on the ASX.

The Responsible Entity of the Fund is Associate Global Partners Limited (formerly known as Switzer Asset Management Limited) (the **Responsible Entity**). The Responsible Entity's registered office is Level 6, 10 Spring Street, Sydney NSW 2000. The Responsible Entity is incorporated and domiciled in Australia.

The financial statements are presented in the Australian currency.

The financial statements were authorised for issue by the Directors of the Responsible Entity on 26 September 2022. The Directors of the Responsible Entity have the power to amend and reissue the financial statements.

2. Summary of significant accounting policies

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all years presented, unless otherwise stated in the following text.

(a) Basis of preparation

These general purpose financial statements have been prepared in accordance with Australian Accounting Standards, other authoritative pronouncements of the Australian Accounting Standards Board and the *Corporations Act 2001* in Australia.

The Fund is a for-profit entity for the purpose of preparing the financial statements.

The financial statements are prepared on the basis of fair value measurement of assets and liabilities except where otherwise stated.

The Statement of Financial Position is presented on a liquidity basis. Assets and liabilities are presented in decreasing order of liquidity and are not distinguished between current and non-current. All balances are generally expected to be recovered or settled within twelve months, except for investments in financial assets and net assets attributable to unitholders where the amount expected to be recovered or settled within twelve months after the end of the year cannot be reliably determined.

(i) *Compliance with Australian Accounting Standards and International Financial Reporting Standards*

The financial statements of the Fund comply with Australian Accounting Standards as issued by the Australian Accounting Standards Board and also comply with International Financial Reporting Standards as issued by the International Accounting Standards Board.

(ii) *New standard adopted as at 1 July 2021*

There are no standards, interpretations or amendments to existing standards that are effective for the first time for the financial year beginning 1 July 2021 that have a material impact on the amounts recognised in prior periods or will affect the current or future periods.

Notes to the Financial Statements

2. Summary of significant accounting policies (continued)

(b) Financial instruments

(i) Classification and measurement

Financial assets:

The Fund classifies its investments based on its business model for managing those financial assets and the contractual cash flow characteristics of the financial assets.

For equity securities the contractual cash flows of these instruments do not represent solely payments of principal and interest. Consequently, these investments are measured at fair value through profit or loss. The Fund's portfolio of financial assets is managed and performance is evaluated on a fair value basis in accordance with the Fund's documented investment strategy. The Fund's policy is to evaluate the information about these financial assets on a fair value basis together with other related financial information.

A financial asset is measured at amortised cost only if both of the following conditions are met:

- the asset is held within a business model whose objective is to hold assets in order to collect contractual cash flows;
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at amortised cost are subsequently measured using the effective interest (EIR) method and are subject to impairment.

(ii) Impairment

The Fund holds only trade receivables with no financing component and which have maturities of less than 12 months at amortised cost and, as such, has chosen to apply an approach similar to the simplified approach for expected credit losses (ECL) under IFRS 9 to all its trade receivables. Therefore, the Fund does not track changes in credit risk, but instead, recognises a loss allowance based on lifetime ECLs at each reporting date.

The Fund's approach to ECLs reflects a probability-weighted outcome, the time value of money and reasonable and supportable information that is available without undue cost or effort at the reporting date about past events, current conditions and forecasts of future economic conditions.

The Fund uses the provision matrix as a practical expedient to measuring ECLs on trade receivables, based on days past due for groupings of receivables with similar loss patterns. Receivables are grouped based on their nature. The provision matrix is based on historical observed loss rates over the expected life of the receivables and is adjusted for forward-looking estimates.

Any change in expected credit losses between the previous year and the current year is recognised as an impairment gain or loss in profit or loss. There is no material impairment during the year and as at 30 June 2022 (30 June 2021: Nil).

(iii) Offsetting financial instruments

Financial assets and financial liabilities are offset and the net amount reported in the Statement of Financial Position if, and only if, there is a legally enforceable right to offset the recognised amounts at all times and there is an intention to settle on a net basis, or realise the asset and settle the liability simultaneously.

Notes to the Financial Statements

2. Summary of significant accounting policies (continued)

(c) Net assets attributable to unitholders

Units are redeemable at the unitholders option and are classified as financial liabilities due to mandatory distributions. The units can be put back to the Fund at any time for cash based on the redemption price. The fair value of redeemable units is measured at the redemption amount that is payable (based on the redemption unit price) at the end of the year if unitholders exercised their right to put the units back to the Fund. As the Fund's redemption unit price is based on different valuation principles to that applied in financial reporting, a valuation difference exists, which has been treated as a separate component of net assets attributable to unitholders. Changes in the value of this financial liability are recognised in the Statement of Profit or Loss and Other Comprehensive Income as they arise.

(d) Cash and cash equivalents

For the purpose of presentation in the Statement of Cash Flows, cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short term, highly liquid investments with original maturities of three months or less from the date of acquisition that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, and bank overdrafts. Bank overdrafts, if any, are shown within borrowings in the Statement of Financial Position.

Payments and receipts relating to the purchase and sale of investment securities are classified as cash flows from operating activities, as movements in the fair value of these securities represent the Fund's main income generating activity.

(e) Investment income

Interest income is recognised in the Statement of Profit or Loss and Other Comprehensive Income for all financial instruments on an accruals basis. Other changes in fair value for such instruments are recorded in accordance with the policies described in Note 2(b).

Dividend income is recognised on the ex-dividend date.

Trust distributions are recognised on an entitlements basis.

Net gains/(losses) on financial assets and financial liabilities held at fair value through profit or loss arising on a change in fair value are calculated as the difference between the fair value at the end of the year and the fair value at the previous valuation point. Net gains/(losses) do not include interest or dividend/distribution income. Realised and unrealised gains/(losses) are shown in the notes to the financial statements.

(f) Expenses

All expenses, including Responsible Entity's fees are recognised in the Statement of Profit or Loss and Other Comprehensive Income on an accruals basis.

(g) Income tax

Under the current tax legislation, the Fund is not subject to income tax to income tax as unitholders are presently entitled to the income of the Fund.

Notes to the Financial Statements

2. Summary of significant accounting policies (continued)

(g) Income tax (continued)

Financial instruments held at fair value may include unrealised capital gains. Should such a gain be realised, that portion of the gain that is subject to capital gains tax will be distributed so that the Fund is not subject to capital gains tax.

The benefit of imputation credits and foreign tax paid is passed on to unitholders.

The Fund currently incurs withholding tax imposed by certain countries on investment income. Such income is recorded net of withholding tax in the Statement of Profit or Loss and other comprehensive income.

(h) Distributions

In accordance with the Fund's Constitution, the Fund distributes income adjusted for amounts determined by the Responsible Entity, to unitholders by cash or reinvestment. The distributions are recognised in the Statement of Profit or Loss and Other Comprehensive Income as finance costs attributable to unitholders.

(i) Increase/decrease in net assets attributable to unitholders

Income not distributed is included in net assets attributable to unitholders. Movements in net assets attributable to unitholders are recognised in the Statement of Profit or Loss and Other Comprehensive Income as finance costs.

(j) Foreign currency translation

(i) Functional and presentation currency

Items included in the Fund's financial statements are measured using the currency of the primary economic environment in which it operates (the functional currency). This is the Australian dollar, which reflects the currency of the economy in which the Fund competes for funds and is regulated. The Australian dollar is also the Fund's presentation currency.

(ii) Transactions and balances

Foreign currency transactions are translated into the functional currency using the exchange rates prevailing at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translations at year end exchange rates of monetary assets and liabilities denominated in foreign currencies are recognised in the Statement of Profit or Loss and Other Comprehensive Income.

The Fund does not isolate that portion of unrealised gains or losses on securities and derivative financial instruments that are measured at fair value through profit or loss and which is due to changes in foreign exchange rates from that which is due to changes in the market price of securities. Such fluctuations are included with the net gains or losses on financial instruments at fair value through profit or loss.

(k) Receivables

Receivables may include amounts for interest, dividends/distributions and securities sold where settlement has not yet occurred. Interest is accrued at the end of each year from the time of last payment in accordance with the policy set out in Note 2(e) above. Dividends are accrued when the right to receive payment is established. Amounts are generally received within 30 days of being recorded as receivables.

Receivables include such items as Reduced Input Tax Credits (RITC) and application monies receivable from unitholders.

Notes to the Financial Statements

2. Summary of significant accounting policies (continued)

(l) Payables

Payables include liabilities and accrued expenses owing by the Fund which are unpaid as at the end of the year.

Trades are recorded on trade date, and normally settled within two business days. Purchases of financial instruments that are unsettled at the end of each year are included in payables.

The distribution amount payable to unitholders as at the end of each year is recognised separately in the Statement of Financial Position when unitholders are presently entitled to the distributable income under the Fund's Constitution.

(m) Applications and redemptions

Applications received for units in the Fund are recorded net of any entry fees payable prior to the issue of units in the Fund. Redemptions from the Fund are recorded gross of any exit fees payable after the cancellation of units redeemed.

Unit redemption prices are determined by reference to the net assets of the Fund divided by the number of units on issue.

(n) Goods and services tax (GST)

Expenses of various services provided to the Fund by third parties such investment management fees are recognised net of the amount of associated GST, unless the GST incurred is not recoverable from the taxation authority. In this case, it is recognised as part of the related expense or cost item.

Accounts payable and receivable are stated inclusive of the GST receivable and payable. The net amount of GST recoverable from, or payable to, the taxation authority is included in receivables or payables in the Statement of Financial Position.

Cash flows relating to GST are included in the Statement of Cash Flows on a gross basis.

(o) Use of judgements and estimates

The preparation of the Fund's financial statements requires it to make judgements, estimates and assumptions that affect the reported amounts of assets and liabilities. Uncertainty about these assumptions and estimates could result in outcomes that could require a material adjustment to the carrying amount of the asset or liability affected in the future. However, estimates are continually evaluated and based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

The Fund's financial instruments are traded in active markets and are valued based on quoted market prices at the close of trading at the end of the reporting period without any deduction for estimated future selling costs. The Fund uses independent pricing services to obtain these prices.

When the fair values of the reported financial instruments cannot be derived from active markets, they are determined using prices obtained from inactive or unquoted markets and/or other valuation techniques. The inputs to these valuation techniques (if applicable) are taken from observable markets to the extent practicable. Where observable inputs are not available, the inputs may be estimated based on a degree of judgements and assumptions in establishing fair values.

Where appropriate, the outcomes of the valuation techniques that are used in establishing fair values are validated using prices from observable current market transactions for similar instruments (without modification or repackaging) or based on relevant available observable market data.

Notes to the Financial Statements

2. Summary of significant accounting policies (continued)

(o) Use of judgements and estimates (continued)

The determination of what constitutes 'observable' requires significant judgement by the Fund. The Fund considers observable data to be market data that is readily available, regularly distributed or updated, reliable and verifiable, not proprietary, and provided by independent sources that are actively involved in the relevant market.

In addition, areas such as credit risk (both own and counterparty), volatilities and correlations require management to make estimates and judgements. Changes in assumptions about these factors could affect the reported fair value of financial instruments.

For certain other financial instruments, including cash and cash equivalents, amounts due from/to brokers, accounts payable and accounts receivable, the carrying amounts approximate fair value due to the immediate or short-term nature of these financial instruments.

(p) New accounting standards and interpretations

A number of new standards, amendments to standards and interpretations are effective for annual years beginning after 1 July 2021 and have not been early adopted in preparing these financial statements.

The Directors have assessed that the implementation of these standards does not have a material impact on the financial report in the year of initial application and future reporting periods.

(q) Rounding of amounts

The Fund is an entity of the kind referred to in *ASIC Corporations (Rounding in Financial/Directors' Reports) Instrument 2016/191*, issued by the Australian Securities and Investments Commission (**ASIC**), relating to the 'rounding off' amounts in the financial statements. Amounts in the financial statements have been rounded off in accordance with that ASIC Instrument to the nearest thousand dollars, unless otherwise indicated.

Switzer Dividend Growth Fund

Notes to the Financial Statements

3. Dividend/distribution income

	30 June 2022	30 June 2021
	\$'000	\$'000
Dividends	3,661	2,320
Distributions	205	175
Total dividend/distribution income	3,866	2,495

4. Net gains/(losses) on financial instruments held at fair value through profit or loss

Net gains/(losses) recognised in relation to financial assets and financial liabilities at fair value through profit or loss:

	30 June 2022	30 June 2021
	\$'000	\$'000
Net realised gains on financial instruments held at fair value through profit or loss	2,298	4,703
Net unrealised (losses)/gains on financial instruments held at fair value through profit or loss	(7,281)	12,180
Total net (losses)/ gains on financial instruments at fair value through profit or loss	(4,983)	16,883

5. Auditor's remuneration

During the year the following fees were paid or payable for services provided by the auditor, EY, to the Fund:

	30 June 2022	30 June 2021
	\$	\$
Audit and other assurance services		
Audit and review of financial reports	38,649	37,523
Total remuneration for and other assurance services	38,649	37,523
Taxation services		
Tax compliance advice	9,000	9,000
Total remuneration for taxation services	9,000	9,000
Total auditor's remuneration	47,649	46,523

Audit fees for Switzer Dividend Growth Fund are paid by the Responsible Entity of the Fund.

Switzer Dividend Growth Fund

Notes to the Financial Statements

6. Net assets attributable to unitholders

As stipulated within the Fund's Constitution, each unit represents a right to an individual share in the Fund and does not extend to a right to the underlying assets of the Fund. There are no separate classes of units and each unit has the same rights attaching to it as all other units of the Fund.

Movements in the number of units and net assets attributable to unitholders during the year were as follows:

	30 June 2022 No.'000	30 June 2022 \$'000	30 June 2021 No.'000	30 June 2021 \$'000
Opening balance	30,621	81,304	35,054	75,579
Applications	1,272	3,386	1,586	3,820
Increase/(decrease) in net assets attributable to unitholders	-	(6,011)	-	16,532
Units issued upon reinvestment of distributions	196	527	209	481
Redemptions	(5,699)	(15,229)	(6,228)	(15,108)
Closing balance	26,390	63,977	30,621	81,304

Capital risk management

The Fund considers its net assets attributable to unitholders as capital, notwithstanding net assets attributable to unitholders are classified as a financial liability. The amount of net assets attributable to unitholders can change significantly on a daily basis as the Fund is subject to daily applications and redemptions at the discretion of unitholders.

Daily applications and redemptions are reviewed relative to the liquidity of the Fund's underlying assets on a daily basis by the Responsible Entity. Under the terms of the Fund's Constitution, the Responsible Entity has the discretion to reject an application for units and to defer or adjust a redemption of units if the exercise of such discretion is in the best interests of unitholders.

Switzer Dividend Growth Fund

Notes to the Financial Statements

7. Distributions to unitholders

The distributions for the year were as follows:

	30 June 2022 \$'000	30 June 2022 CPU	30 June 2021 \$'000	30 June 2021 CPU
Distributions paid (30 September)	809	2.822	484	1.402
Distributions paid (31 December)	583	2.120	357	1.055
Distributions paid (31 January)	165	0.600	-	-
Distributions paid (28 February)	163	0.600	-	-

8. Cash and cash equivalents

	30 June 2022 \$'000	30 June 2021 \$'000
Cash and cash equivalents	2,386	2,590
Total cash and cash equivalents	2,386	2,590

9. Financial assets held at fair value through profit and loss

	30 June 2022 \$'000	30 June 2021 \$'000
Fair value through profit or loss		
Listed equities	59,585	75,427
Listed property trusts	3,667	4,440
Total fair value through profit or loss	63,252	79,867
Total financial assets held at fair value through profit or loss	63,252	79,867

An overview of the risk exposures relating to financial assets at fair value through profit or loss is included in Note 13.

Notes to the Financial Statements

10. Receivables

	30 June 2022	30 June 2021
	\$'000	\$'000
Due from brokers - receivable for securities sold	29	207
Dividend/distribution receivable	190	196
Unsettled applications	18	2
Other receivables	11	11
RITC receivable	28	29
Total receivables	276	445

11. Payables

	30 June 2022	30 June 2021
	\$'000	\$'000
Management fees payable	53	59
Unsettled redemptions	11	205
Other fees payable	6	13
Due to brokers – payable for securities purchased	29	1,007
Total payables	99	1,284

12. Financial risk management

(a) Objectives, strategies, policies and processes

The Fund's activities expose it to a variety of financial risks: market risk (including price risk, currency risk, and interest rate risk), credit risk and liquidity risk.

The Fund's overall risk management program focuses on ensuring compliance with the Fund's Product Disclosure Statement and seeks to maximise the returns derived for the level of risk to which the Fund is exposed. Financial risk management is carried out by an Investment Manager (the **Investment Manager**) under policies approved by the Board of Directors of the Responsible Entity (the **Board**).

The Fund uses different methods to measure different types of risk to which it is exposed. These methods include sensitivity analysis in the case of interest rate, foreign exchange and other price risks, and ratings analysis for credit risk.

(b) Market risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: price risk, foreign exchange risk and interest rate risk. Market risk is managed and monitored using sensitivity analysis and minimised through ensuring that all investment activities are undertaken in accordance with established mandates and investment strategies.

The market risk disclosures are prepared on the basis of the Fund's direct investments and not on a look-through basis for investments held in the Fund.

Notes to the Financial Statements

12. Financial risk management (continued)

(b) Market risk (continued)

The sensitivity of the Fund's net assets attributable to unitholders (and profit/(loss) before finance costs attributable to unitholders) to price risk, foreign exchange risk and interest rate risk is measured by the reasonably possible movements approach. This approach is determined based on management's best estimate, having regard to a number of factors, including historical levels of changes in interest rates and foreign exchange rates, historical correlation of the Fund's investments with the relevant benchmarks and market volatility. However, actual movements in the risk variables may be greater or less than anticipated due to a number of factors, including unusually large market shocks resulting from changes in the performance of the economies, markets and securities in which the Fund invests. As a result, historic variations in the risk variables are not a definitive indicator of future variations in the risk variables.

At 30 June, the overall market exposures were as follows:

	30 June 2022	30 June 2021
	\$'000	\$'000
Securities at fair value through profit or loss	63,252	79,867
Total securities at fair value through profit or loss	63,252	79,867

(i) Price risk

Price risk is the risk that the fair value or future cash flows of listed securities will fluctuate because of changes in market prices (other than those arising from interest rate risk or currency risk), whether those changes are caused by factors specific to the individual financial instrument or its issuer, or by factors affecting all similar financial instruments traded in the market.

Price risk exposure arises from the Fund's investment portfolio. The investments are classified on the Statement of Financial Position as at fair value through profit or loss. All securities investments present a risk of loss of capital. The maximum risk resulting from financial instruments is determined by the fair value of the financial instruments.

The Investment Manager mitigates this price risk through diversification and a careful selection of securities and other financial instruments within specified limits set by the Board.

The Fund's overall market positions are monitored on a regular basis by the Fund's Investment Manager. This information and the compliance with the Fund's Product Disclosure Statement are reported to the relevant parties on a regular basis as deemed appropriate such as the compliance manager, other key management personnel and ultimately the Board.

At 30 June 2022, if prices of listed securities had increased/(decreased) by the percentage indicated below, with all other variables held constant, the net assets attributable to unitholders (and profit/(loss) before finance costs attributable to unitholders) would have changed by the following amounts, approximately and respectively:

Notes to the Financial Statements

12. Financial risk management (continued)

(b) Market risk (continued)

	As at 30 June 2022		As at 30 June 2021	
	Increased by 10%	Decreased by 10%	Increased by 10%	Decreased by 10%
	\$'000	\$'000	\$'000	\$'000
Increase/(decrease) in net assets attributable to unitholders (and profit/(loss) before finance costs attributable to unitholders).	6,325	(6,325)	7,987	(7,987)

(ii) Foreign exchange risk

At year end the Fund only held Australian dollar denominated assets and it therefore had no exposure to foreign exchange risk (2021: Nil).

(iii) Interest rate risk

There was no significant direct interest rate risk in the Fund as at 30 June 2022 (30 June 2021: Nil).

(c) Credit risk

Credit risk is the risk that one party to a financial instrument will cause a financial loss for the other party by failing to discharge an obligation.

Credit risk arises from cash and cash equivalents, deposits with banks and other financial institutions and receivables.

All transactions in listed securities are settled/paid for upon delivery using approved brokers. The risk of default is considered low, as delivery of securities sold is only made once the broker has received payment. Payment is made once purchase of the securities has been received by the broker. The trade will fail if either party fails to meet its obligations.

There was no significant credit risk in the Fund as at 30 June 2022 (30 June 2021: Nil).

(d) Concentrations of risk

Concentrations of risk arise when a number of financial instruments are entered into with the same counterparty, or where a member of counterparties are engaged in similar business activities, or activities in the same geographic region, or have similar economic conditions. These similarities would cause the counterparties' liabilities to meet the contractual obligations to be similarly affected by certain changes in the risk variables.

The concentrations of risk are monitored by the Investment Manager to ensure they are within acceptable limits by reducing the exposures or by other means as deemed appropriate.

Concentrations of risk are managed by industry sector for equity instruments.

Based on the concentrations of risk that are managed by industry sector, the following investments can be analysed by the industry sector as at 30 June 2022 and 30 June 2021:

Notes to the Financial Statements

12. Financial risk management (continued)

(d) Concentrations of risk (continued)

	30 June 2022	30 June 2021
	%	%
Financials	28.79	29.97
Materials	15.14	14.04
Communication Services	11.89	7.69
Health Care	10.92	9.51
Consumer Staples	8.57	8.34
Industrials	8.00	11.54
Real Estate	5.57	5.42
Cash	3.94	2.45
Consumer Discretionary	3.67	5.09
Energy	3.51	5.95
Total	100.00	100.00

(e) Liquidity risk

Liquidity risk is the risk that an entity will encounter difficulty in meeting obligations associated with financial liabilities that are settled by delivering cash or another financial asset. This risk is controlled through the Fund's investment in financial instruments, which under normal market conditions are readily convertible to cash. In addition, the Fund maintains sufficient cash and cash equivalents to meet normal operating requirements.

The Fund may be exposed to daily cash redemptions of redeemable units. Its policy is therefore primarily hold investments that are traded in an active market and can be readily disposed of.

The Fund's investments mainly consist of listed securities that are considered readily realisable, as they are listed on recognised stock exchanges.

The Fund's policy is to hold a significant proportion of its investments in liquid assets.

Under the terms of its Constitution, the Fund has the ability to manage liquidity risk by delaying redemptions to unitholders, if necessary, until the funds are available to pay them. No redemptions to unitholders were delayed for the year ended 30 June 2022 (30 June 2021: Nil).

Units are redeemed on demand at the unitholders option. However, the Board of Directors does not envisage that the contractual maturity disclosed in the table below will be representative of the actual cash outflows, as holders of these instruments typically retain them for the medium to long term.

In accordance with the Fund's policy, the Investment Manager monitors the Fund's liquidity position on a regular basis. This information and the compliance with the Fund's policy are reported to the relevant parties on a regular basis as deemed appropriate such as compliance manager, other key management personnel and ultimately the Board.

Notes to the Financial Statements

12. Financial risk management (continued)

(e) Liquidity risk (continued)

Maturity of financial liabilities

The table below analyses the Fund's financial liabilities into relevant maturity groupings based on the remaining period at the end of the year to the contractual maturity date. The amounts in the table are the contractual undiscounted cash flows.

	30 June 2022			
	Less than 1 month	1-3 months	3-12 months	More than 12 months
	\$'000	\$'000	\$'000	\$'000
Distribution payable	1,838	-	-	-
Payables	99	-	-	-
Net assets attributable to unitholders	63,977	-	-	-
Total financial liabilities	65,914	-	-	-

	30 June 2021			
	Less than 1 month	1-3 months	3-12 months	More than 12 months
	\$'000	\$'000	\$'000	\$'000
Distribution payable	314	-	-	-
Payables	1,284	-	-	-
Net assets attributable to unitholders	81,304	-	-	-
Total financial liabilities	82,902	-	-	-

The Fund manages its liquidity risk by investing predominantly in liquid assets that it expects to be able to liquidate within 7 days or less. Liquid assets include cash and cash equivalents and listed equities.

(f) Estimation of fair values of financial assets and liabilities

The carrying amounts of all the Fund's financial assets and financial liabilities at the end of the year approximated their fair values.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The Fund's accounting policy on fair value measurement is set out in Note 2(b). The methods and assumptions used in the determination of the fair value of each class of financial instruments are also set out in Note 2(b).

Note 2(o) outlines further the nature of management's judgements, estimates and assumptions that might have been used in the determination of the fair values of these financial instruments.

Notes to the Financial Statements

12. Financial risk management (continued)

(g) Fair value hierarchy

The Fund is required to classify fair value measurements using a fair value hierarchy that reflects the subjectivity of the inputs used in making the measurements. The fair value hierarchy has the following levels:

- Level 1: Quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Level 2: Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (that is, as prices) or indirectly (that is, derived from prices); quoted prices for similar securities in active and/or inactive markets; market-corroborated inputs; inputs that are developed based on available market data and reflect assumptions that markets would use when pricing similar securities.
- Level 3: Inputs for the asset or liability that are not based on observable market data (that is, unobservable inputs).

The Company held \$63,252,000 Level 1 financial assets as at 30 June 2022 (2021: \$79,867,000). For all other financial assets and liabilities, the carrying value is an approximation of fair value, including cash and cash equivalents, trade and other receivables and trade and other payables due to their short term nature.

The table below sets out the Fund's financial assets and liabilities (by class) measured at fair value according to the fair value hierarchy at the reporting date.

All fair value measurements disclosed are recurring fair value measurements.

	30 June 2022			
	Level 1	Level 2	Level 3	Total
	\$'000	\$'000	\$'000	\$'000
Fair value through profit or loss				
Listed equities	59,585	-	-	59,585
Listed unit trusts	3,667	-	-	3,667
Total financial assets held at fair value through profit or loss	63,252	-	-	63,252

	30 June 2021			
	Level 1	Level 2	Level 3	Total
	\$'000	\$'000	\$'000	\$'000
Fair value through profit or loss				
Listed equities	75,427	-	-	75,427
Listed property trusts	4,440	-	-	4,440
Total financial assets held at fair value through profit or loss	79,867	-	-	79,867

Notes to the Financial Statements

13. Related party transactions

(a) Responsible Entity

The Responsible Entity of Switzer Dividend Growth Fund is Associate Global Partners Limited (formerly Switzer Asset Management Limited).

On 20 April 2022, the Responsible Entity announced that it had changed its name from Switzer Asset Management Limited to Associate Global Partners Limited. The name change had no impact on the operation of the Fund, the name of the Fund or the way the Fund invests.

(b) Key management personnel

The Responsible Entity is a related party and considered the Fund's key management personnel.

The following persons held office as Directors of the Responsible Entity during the year or since the end of the year and up to the date of this report:

Name	Title
Peter Switzer	Non-Executive Director (resigned as Chairman on 7 December 2021)
Andrew Meakin	Non-Executive Director
Martin Switzer	Non-Executive Director
James McNally	Chairman and Non-Executive Director (appointed 7 December 2021)

(c) Other key management personnel

There were no other persons with responsibility for planning, directing and controlling the activities of the Fund, directly or indirectly during the year.

(d) Other transactions within the Fund

From time to time Directors of Switzer Dividend Growth Fund, or their Director related entities, may invest in or withdraw from the Fund. These investments or withdrawals are on the same terms and conditions as those entered into by other Fund investors.

(e) Related party Fund's unitholdings

For the year ended 30 June 2022, the Responsible Entity did not hold investments in the Fund (30 June 2021: Nil).

(f) Responsible entity's/manager's fees and other transactions

Under the terms of the Fund's Constitution, the Responsible Entity is entitled to receive a 0.89% per annum management fee. The management fee is calculated each business day based on the gross asset value of the Fund on that business day and is payable at the end of each month. The management fee described above is inclusive of the estimated net impact of GST and RITC.

In the interests of investors, the Switzer Dividend Growth Fund does not charge a performance fee.

Expenses in connection with the preparation of accounting records and the maintenance of the unit register are paid by the Responsible Entity.

The transactions during the year and amounts payable at year end between the Fund and the Responsible Entity were as follows:

Switzer Dividend Growth Fund

Notes to the Financial Statements

13. Related party transactions (continued)

(f) Responsible entity's/manager's fees and other transactions (continued)

	30 June 2022	30 June 2021
	\$	\$
Management fees for the year paid by the Fund to the Responsible Entity	663,593	705,936
Aggregate amounts payable to the Responsible Entity at the end of the reporting period	53,045	58,881

(g) Related party Fund's unitholdings

For the year ended 30 June 2022 the Responsible Entity or its related parties did not hold units in the Fund (2021: Nil).

(h) Investments

During the period, the Fund did not hold investments in funds owned or managed by the Responsible entity or its related parties (2021: Nil).

14. Investment manager

The Responsible Entity appointed Blackmore Capital Pty Ltd (Blackmore Capital) on 21 April 2021 as its Investment Manager in respect of the Fund's portfolio and the Responsible Entity pays on its fees under the Investment Manager Agreement to Blackmore Capital. The Fund is not required to pay any fees to Blackmore Capital.

15. Reconciliation of profit/(loss) to net cash inflow/(outflow) from operating activities

(a) Reconciliation of profit/(loss) to net cash inflow/(outflow) from operating activities

	Year ended 30 June 2022	Year ended 30 June 2021
	\$'000	\$'000
Decrease in net assets attributable to unitholders	(6,011)	16,532
Proceeds from sale of financial instruments held at fair value through profit or loss	44,428	81,102
Purchase of financial instruments held at fair value through profit or loss	(33,596)	(67,691)
Distribution to unitholders	4,038	1,869
Net gains losses on financial instruments held at fair value through profit or loss	4,983	(16,883)
Net change in receivables and other assets	(9)	162
Net change in payables and other liabilities	3	3
Net cash inflow from operating activities	13,836	15,094

Notes to the Financial Statements

15. Reconciliation of profit/(loss) to net cash inflow/(outflow) from operating activities (continued)

(b) Components of cash and cash equivalents

Cash as at the end of the reporting period as shown in the Statement of cash flows is reconciled to the Statement of financial position as follows:

	Year Ended 30 June 2022 \$'000	Year Ended 30 June 2021 \$'000
Cash and cash equivalents	2,386	2,590
	2,386	2,590

(c) Non-cash financing activities

During the year, the following distribution payments were satisfied by the issue of units under the distribution reinvestment plan

527	481
-----	-----

16. Segment Information

The Fund operates solely in the business of investment in companies listed on Australian and New Zealand share markets. Revenue, profit, net assets and other financial information reported to and monitored by the Chief Operating Decision Maker (**CODM**) for the single identified operating segment are the amounts reflected in the Statement of Profit or Loss and Other Comprehensive Income, Statement of Financial Position, Statement of Changes in Equity and Statement of Cash Flows. The CODM has been identified as the Responsible Entity.

17. Contingent assets and liabilities and commitments

There are no contingent assets and liabilities and commitment as at 30 June 2022 (2021: Nil).

18. Events occurring after the year

No significant events have occurred since the end of the reporting period which would impact on the financial position of the Fund disclosed in the Statement of Financial Position as at 30 June 2022 or on the results and cash flows of the Fund for the year ended on that date.

Directors' declaration

In accordance with a resolution of the Directors of Switzer Dividend Growth Fund (the **Fund**), I state that:

In the opinion of the Directors:

- (a) the financial statements and notes of the Fund are in accordance with the *Corporations Act 2001*, including:
 - (i) giving a true and fair view of the Fund's financial position as at 30 June 2022 and of its performance for the year ended on that date; and
 - (ii) complying with Accounting Standards, the *Corporations Regulations 2001*; and
- (b) there are reasonable grounds to believe that the Fund will be able to pay its debts as and when they become due and payable.
- (c) the financial statements are in accordance with the Fund's Constitution.

Independent Auditor's Report to the Members of Switzer Dividend Growth Fund

Report on the Audit of the Financial Report

Opinion

We have audited the financial report of Switzer Dividend Growth Fund (the Fund), which comprises the statement of financial position as at 30 June 2022, the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, notes to the financial statements, including a summary of significant accounting policies, and the directors' declaration.

In our opinion, the accompanying financial report of the Fund is in accordance with the *Corporations Act 2001*, including:

- a. Giving a true and fair view of the Fund's financial position as at 30 June 2022 and of its financial performance for the year ended on that date; and
- b. Complying with Australian Accounting Standards and the *Corporations Regulations 2001*.

Basis for opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's responsibilities for the audit of the financial report* section of our report. We are independent of the Fund in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the Accounting Professional and Ethical Standards Board's *APES 110 Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key audit matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial report of the current year. These matters were addressed in the context of our audit of the financial report as a whole, and in forming our opinion thereon, but we do not provide a separate opinion on these matters. For each matter below, our description of how our audit addressed the matter is provided in that context.

We have fulfilled the responsibilities described in the *Auditor's responsibilities for the audit of the financial report* section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the financial report. The results of our audit procedures, including the procedures performed to address the matters below, provide the basis for our audit opinion on the accompanying financial report.

Existence and valuation of the investment portfolio

Why significant	How our audit addressed the key audit matter
<p>Switzer Dividend Growth Fund's investment portfolio as at 30 June 2022 includes listed equities and listed property trusts.</p> <p>Investment valuation and existence is a key audit matter as the investment balance of \$63,252,000 represents 96% of total assets.</p> <p>As detailed in the Fund's accounting policy, described in Note 2(b) of the financial report, these financial assets are recognised at fair value through profit or loss in accordance with Australian Accounting Standards.</p> <p>Pricing and other market drivers can have a significant impact on the value of these financial assets and the financial report. Accordingly, valuation of the investment portfolio was considered a key audit matter.</p>	<p>We assessed the effectiveness of controls relating to the recognition and valuation of investments.</p> <p>We obtained and considered the assurance report on the controls of the Fund's administrator and custodian in relation to the fund administration and custody services for the year ended 30 June 2022 and considered the auditor's qualifications, competence and objectivity and the results of their procedures.</p> <p>We agreed all investment holdings, including cash accounts, to third party confirmations at 30 June 2022.</p> <p>We assessed the fair value of all investments in the portfolio held at 30 June 2022. For listed securities, the values were verified against independently sourced market prices.</p> <p>We assessed the adequacy of the disclosures in Note 4 and Note 9 of the financial report.</p>

Information other than the financial report and auditor's report thereon

The directors of the Responsible Entity of the Fund (Associate Global Partners Limited) are responsible for the other information. The other information comprises the information included in the Fund's 2022 annual report, but does not include the financial report and our auditor's report thereon.

Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the directors for the financial report

The directors of the Responsible Entity of the Fund are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors of the Responsible Entity of the Fund determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the directors of the Responsible Entity of the Fund are responsible for assessing the Fund's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless the directors of the Responsible

Entity of the Fund either intend to liquidate the Fund or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- ▶ Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- ▶ Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control.
- ▶ Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors of the Responsible Entity of the Fund.
- ▶ Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Fund to cease to continue as a going concern.
- ▶ Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the directors of the Responsible Entity of the Fund regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the directors of the Responsible Entity of the Fund with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, actions taken to eliminate threats or safeguards applied.

**Building a better
working world**

From the matters communicated to the directors of the Responsible Entity of the Fund, we determine those matters that were of most significance in the audit of the financial report of the current year and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.
