Set out below is information relating to the estimated distribution for Antipodes Global Shares (Quoted Managed Fund) (**AGX1**) for the year ended 30 June 2023.

The estimated distribution for AGX1 is \$0.01842 and may change due to variables, including realisation of any capital gains or losses in the underlying portfolio and changes to the number of units on issue which are entitled to the distribution.

A summary of the key dates for the distribution are as follows:

Key Dates	
Announcement date	28 June 2023
Ex-distribution date	3 July 2023
Record date	4 July 2023
DRP Election Date	5 July 2023
Announcement of final distribution	5 July 2023
Payment Date	12 July 2023

Distributions are calculated on the number of units held by you as at the record date. The estimated / final distribution calculated for AGX1 will lead to an equivalent reduction in AGX1's net asset value from the ex-distribution date.

Investors who hold units in AGX1 as at the Record Date will have the option to acquire additional units in AGX1 by reinvesting all or part of their annual distribution under the AGX1 Distribution Reinvestment Plan (**DRP**), available at the Antipodes Partners AGX1 website.

Unitholders who have not made an election to participate in the DRP by 5pm on 5 July 2023 will also have their distribution automatically reinvested in accordance with the DRP. Any unitholder who wishes not to participate in the DRP, must make an election by 5 July 2023. This election will apply to all future distributions as well until such a time that the unitholder elects back into the DRP.

For unitholders who have elected not to participate in the DRP, AGX1 is adopting direct crediting of cash distribution payments as this is a more secure and convenient way to receive payments.
