# Notice of Meeting and update to remuneration practices

The a2 Milk Company (a2MC, the Company) is pleased to advise that it is today publishing its Notice of Meeting for the 2023 Annual Meeting of shareholders. The meeting will be held on Thursday, 16 November 2023 at 11:00am New Zealand daylight time at The Pullman in Auckland, New Zealand. All details regarding the meeting and resolutions are contained in the attached Notice of Meeting.

As demonstrated through its FY23 annual results, the Company is making significant progress delivering against its growth strategy and towards its medium-term financial and non-financial measures of success, aligned to its strategic goals for People, Planet, Consumers and Shareholders.

During FY23, to further align to recent practices for New Zealand and Australian executive remuneration, the Board reviewed the Company's remuneration practices. In particular, the Board revised the Company's short-term incentive (STI) plan structure to include a percentage of deferral for the Chief Executive Officer's (CEO) STI. The Board also committed to submitting the CEO's long-term incentive (LTI) grant for the FY24 LTI plan as a resolution on an advisory basis to the Annual Meeting in 2023.

The Company's LTI plan is designed to reward performance in support of the achievement of the Company's growth strategy by targeting profitable, long-term revenue and EPS growth, which requires appropriate investment. Performance rights issued under the LTI plan vest subject to achievement of both:

- EPS CAGR (compound annual growth in diluted earnings per ordinary share); and
- Revenue CAGR (compound annual growth in revenue).

The Board has selected this combined EPS and Revenue CAGR performance condition to ensure the business remains focused on fundamental sales and profit growth over time. This is aligned to the Company's growth strategy as is particularly relevant given the dynamic market conditions in which the Company operates.

In terms of the FY24 LTI plan performance hurdles, as outlined in the Notice of Meeting:

- The FY24 LTI grant, and the EPS CAGR and Revenue CAGR performance hurdles, have been determined
  having regard to the Company's growth strategy and associated medium-term financial ambition to grow
  revenue to NZ\$2 billion over 5 or more years from FY21 and to target EBITDA margins in the "teens" with
  year-on-year improvements.
- The Board considers the performance hurdles sufficiently challenging to align with shareholder value creation, but still being motivating for, and viewed as achievable by, senior executives and managers invited to participate in the plan. Further details are provided in the Notice of Meeting.
- The high end of the Revenue CAGR hurdles would deliver revenue over NZ\$2 billion by FY26, exceeding the Company's growth strategy of achieving the same within at least 5 years.

- The EPS CAGR is above the high end of the Revenue CAGR range to incentivise and promote margin accretion over the term of the plan.
- Achieving such performance hurdles would require significant market share gains in the Company's core infant formula milk business in the China market which is currently in double-digit market value and volume decline, as well as a significant improvement in group profitability.

The Board looks forward to meeting with shareholders in November at the Annual Meeting.

#### **Resolution 3**

#### Grant of performance rights to David Bortolussi, **Chief Executive Officer and Managing Director**

The approval of shareholders is sought, on an advisory basis and for the purpose of ASX Listing Rule 10.14 and for all other purposes, to permit the Chief Executive Officer and Managing Director, David Bortolussi, or an associate named in this Notice of Meeting, to acquire 690,066 performance rights (Rights), as calculated below, by grant under the Company's Long Term Incentive Plan (LTI Plan).

The LTI Plan is one component of David Bortolussi's total remuneration package and Rights will be granted for no consideration. The LTI plan is designed to reward performance in support of the achievement of the Company's growth strategy, targeting long-term revenue and EPS growth as key drivers of shareholder value creation.

If shareholder approval is obtained, the Rights will be issued by grant as soon as practicable after the 2023 Annual Meeting. ASX Listing Rule 10.15.7 requires the issue to occur no later than three years after the date of the meeting.

If shareholders do not approve the proposed issue of Rights to David Bortolussi, the Board will instead provide David with alternative remuneration arrangements which are equivalent (taken overall) to the proposed Rights, which may include Rights that are required to be satisfied following vesting only from shares purchased on-market, or payment of a cash amount equivalent to the value of the Rights.

Shareholder approval to the grant of Rights to David Bortolussi and any subsequent issue or transfer of shares following vesting is not required under the NZX Listing Rules (as those actions comply with, and are permitted by, NZX Listing Rule 4.6.1).

# Why is shareholder approval being sought?

On 19 October 2022, the Company announced the Board's decision to submit David Bortolussi's long-term incentive grant for the current financial year as a resolution on an advisory basis to the 2023 Annual Meeting. The decision was made in the context of the Board reviewing the Company's remuneration practices to align with shareholders' interests and expectation, and to recent practice in New Zealand and Australia.

ASX Listing Rule 10.14 prohibits the Company from permitting a director of the Company, or a director's associate, to acquire equity securities under an employee incentive scheme without the approval of shareholders, except in circumstances described below. The Rights are equity securities.

Further, ASX Listing Rule 10.11 prohibits the Company from issuing, or agreeing to issue, equity securities to a director of the Company, or a director's associate, without the approval of shareholders unless a relevant exception applies. Approval by shareholders under ASX Listing Rule 10.14 is a relevant exception.

The above requirements for approval of shareholders apply if, after Rights have vested, the Company satisfies them following vesting by issuing shares. Shareholder approval under the ASX Listing Rules is not required for the grant of equity securities (including Rights) to directors, or their associates, under an employee incentive scheme if the terms of the scheme require that the securities be satisfied following vesting from shares purchased on-market.

While it is currently intended, consistent with the Company's practice to date, that shares allocated on vesting of the Rights will be purchased on-market (as opposed to issuing new shares), if shareholder approval for the Rights is obtained under ASX Listing Rule 10.14 it will preserve flexibility for the Board to approve satisfying Rights through an issue of shares rather than only being able to satisfy them through an acquisition on-market if it considers it necessary or appropriate at the time.

# **Key terms of the proposed FY24 Rights**

Information on the general operation of the LTI Plan is set out in the Remuneration section on pages 71 and 72 of the 2023 Annual Report.

The LTI Plan has been established to:

- a. assist in the reward, retention and motivation of selected senior executives and managers;
- b. link the reward available to senior executives and managers to shareholder value creation; and
- align the interests of senior executives and managers and shareholders by providing executives with an equity interest in the Company.

Awards under the LTI Plan are made under the Company's LTI Plan rules.

An overview of the key terms of the proposed grant of Rights to David Bortolussi is set out below.

#### **Proposed FY24** Award

- It is proposed that 690,066 Rights be granted to David Bortolussi or, at his election, he may renounce them in favour of an immediate family member, a company whose members comprise no persons other than David and immediate family members, or a corporate trustee of a self-managed superannuation fund of which David is a member, and a director of the trustee.
- The number of Rights equates in value to A\$2,901,384 based on the volume weighted average share price of ordinary shares in the Company in accordance with the ASX Listing Rules on the ten trading days up to and including 11 October 2023.

#### **Grant date**

As soon as practicable after the 2023 Annual Meeting.

#### Opportunity

The maximum face value of the LTI that can be granted to David Bortolussi is 150% of his fixed annual remuneration (inclusive of superannuation) (FAR). The minimum potential outcome value is zero.

#### Performance/ vesting period

- Three years, from 1 July 2023 to 30 June 2026.
- There is no retesting of performance if performance conditions are not met at the end of the performance period.

#### Instrument

- Performance rights each performance right entitles its holder to receive one fully paid share in the Company (or cash equivalent, at the election of the Company), subject to meeting performance measures. All shares received by the holder will rank equally with the Company's existing ordinary shares.
- It is currently intended that, where possible in accordance with relevant laws, the Company will satisfy its obligation to allocate ordinary shares upon the vesting of the Rights by instructing the trustee of a2MC Group Employee Share Trust to transfer shares held in the trust to the holder, where such existing shares were previously purchased by the trustee on-market.

#### Allocation approach

The Company uses a maximum face value allocation approach. The number of Rights to be granted will be calculated as follows:

Grant opportunity			Share price		Share price	
FAR \$	x	MAXIMUM LTI OPPORTUNITY %	1	Share price¹ (no discount applied)	=	Number of performance rights granted

1 The share price used is the volume weighted average share price of ordinary shares in the Company in accordance with the ASX Listing Rules based on the ten trading days up to and including 11 October 2023.

#### Dividend payments

- No dividends or dividend equivalent payments are provided on the Rights.

#### **Board** discretion

- The Board may forfeit the Rights for fraud, dishonesty, breach of a material obligation or acting in a manner that brings The a2 Milk Group into disrepute, or if there has been a material misstatement or omission that results in a restatement of accounts.

#### **Performance** hurdles

The Rights will vest subject to achievement of both:

- EPS CAGR (compound annual growth in diluted earnings per ordinary share); and
- Revenue CAGR (compound annual growth in revenue) performance hurdles over the performance period.

#### **Vesting Framework**

For any vesting to occur, both of the following performance hurdles must be achieved:

- EPS CAGR of at least 10%; and
- Revenue CAGR of at least 4%.

in each case, from 1 July 2023 to 30 June 2026.

If these performance hurdles are achieved, the proportion of the Rights that may vest will be determined on a straight-line basis per the table below:

#### Performance hurdles (continued)

Revenue - CAGR	Vesting % (if EPS CAGR of at least 10%)		
Less than 4%	Nil		
4%	50%		
Between 4% and 6%	Pro-rata vesting on a straight-line basis between 50% and 85%		
6%	85%		
Between 6% and 8%	Pro-rata vesting on a straight-line basis between 85% and 100%		
8% and above	100%		

#### Calculation approach

EPS CAGR and Revenue CAGR are derived from the annual report of the Company for the relevant financial years and are subject to adjustments to remove the impact of material items as the Board may determine in its absolute discretion to normalise results (up or down) to more appropriately reflect underlying performance. Without limitation, adjustments may be made to exclude the impact of unusual or one-off items, discontinued operations, acquisitions and disposals, and capital management.

The EPS CAGR and Revenue CAGR performance hurdles have been determined having regard to the Company's growth strategy and associated medium-term financial ambition to grow revenue to NZ\$2 billion over 5 or more years from FY21 and to target EBITDA margins in the "teens" with year-on-year improvements. The Board considers the performance hurdles sufficiently challenging to align with shareholder value creation, but still being motivating for, and viewed as achievable by, senior executives and managers invited to participate in the LTI Plan. The high end of the Revenue CAGR hurdles would deliver revenue over NZ\$2 billion by FY26, exceeding the Company's growth strategy of achieving the same within at least 5 years. The EPS CAGR is above the high end of the Revenue CAGR range to incentivise and promote margin accretion over the term of the plan.

#### **Performance** hurdles (continued)

Achieving such performance hurdles would require significant market share gains in the Company's core infant milk formula business in the China market which is currently in double-digit market value and volume decline. as well as a significant improvement in group profitability.

#### **Executive Minimum Shareholding** Requirement (Executive MSR)

The Executive MSR Policy applies to David Bortolussi and the other members of the Company's Executive Leadership Team (ELT).

The purpose of the Executive MSR Policy is to strengthen the alignment between the interests of the ELT and the interests of shareholders and encourage a focus on building long-term shareholder value.

Each member of the ELT is required to acquire and hold a minimum shareholding equivalent to 100% of their FAR (before any tax or social security deductions) by the end of five annual vesting periods for LTI grants. In the case of David Bortolussi, this will be following the end of FY2027.

#### **Cessation of** employment, change of control, bonus issue or reorganisation of capital

- Subject to the discretion of the Board or unless his employment is terminated by the Company other than for fault, he retires from full-time executive employment or his employment ceases due to total and permanent disablement, serious illness or death, unvested Rights will be forfeited upon cessation of David Bortolussi's employment. If Rights are not subject to forfeiture, the Board may in its discretion reduce the number of Rights to reflect the proportion of the vesting period that has elapsed and/or accelerate vesting.
- The Rights may be subject to accelerated vesting if the Company is subject to a change of control.
- Adjustments to the number of the Rights, or the number of Company shares to which they relate, may be made following any bonus issue of Company shares or reorganisation of its capital.

#### Other information required by the ASX **Listing Rules**

- David Bortolussi has advised that he may elect to renounce the Rights in favour of DMZSK Super Pty Ltd, the corporate trustee of a self-managed superannuation fund of which David is a member, or DMZSK Ptv Ltd. the corporate trustee of a family trust of which David is a member. Accordingly, approval is being sought for the purpose of ASX Listing Rule 10.14.1 (which applies to David as a director of the Company) and ASX Listing Rule 10.14.2 (which applies to both DMZSK Super Pty Ltd and DMZSK Pty Ltd each as associates of David). DMZSK Super Ptv Ltd and DMZSK Ptv Ltd are both associates of David because each entity is a related party of David on the basis of it being controlled by David and his spouse.
- Although other senior executives and managers of the Company participate in the LTI Plan, given David Bortolussi is both the CEO and Managing Director, David is the only Director who participates. To the extent participation by any other person, who becomes entitled to participate in the LTI Plan, requires shareholder approval under ASX Listing Rule 10.14, that person will not participate in the LTI Plan until that approval is obtained.
- David Bortolussi's total remuneration package comprises \$1,934,256 FAR, a short-term incentive with a maximum value of 120% of his FAR, a long-term incentive with a maximum value of 150% of his FAR and an allowance of \$10,000 per month (net of tax) to assist with the cost of accommodation in Sydney and travel between Melbourne and Sydney.
- No amount is payable on the award of performance rights, or the issue or transfer of Company shares on their exercise, as the award of performance rights are a component of David Bortolussi's remuneration package. As such, there is no loan scheme to support performance rights or time-based rights issued under the LTI Plan.
- Details of any securities issued to David Bortolussi under the LTI Plan will be published in each annual report of the Company relating to a period in which they were issued, and, where relevant, along with a statement that approval for the issue was obtained under ASX Listing Rule 10.14.

#### Other information required by the ASX **Listing Rules** (continued)

- To date, the Company has granted 311,283 time-based rights and 1,470,663 performance rights to two associates of David Bortolussi, DMZSK Ptv Ltd and DMZSK Super Ptv Ltd. under the LTI Plan for nil consideration. All of the time-based rights and 478,577 of the performance rights have vested and been exercised leaving 490,906 performance rights held by DMZSK Pty Ltd due to vest following the current financial year and 501,180 performance rights held by DMZSK Super Pty Ltd due to vest following FY2024/25.

#### **Voting exclusion statement**

In accordance with the ASX Listing Rules, the Company will disregard any votes cast in favour of resolution 3 by or on behalf of David Bortolussi or any of his associates (as defined in the ASX Listing Rules) except where any such vote is cast by:

- a person as proxy or attorney for a person who is entitled to vote on the resolution, in accordance with the directions given to the proxy or attorney to vote on the resolution in that way;
- the chair of the meeting as proxy or attorney for a person who is entitled to vote on the resolution, in accordance with a direction given to the chair to vote on the resolution as the chair decides: or
- a holder acting solely in a nominee, trustee, custodial or other fiduciary capacity on behalf of a beneficiary provided the following conditions are met:
  - the beneficiary provides written confirmation to the holder that the beneficiary is not excluded from voting, and is not an associate of a person excluded from voting, on the resolution: and
  - the holder votes on the resolution in accordance with directions given by the beneficiary to the holder in that way.

#### **NZX** Waiver

NZ RegCo has granted the company a waiver from the requirement for the company to include an appraisal report with this Notice of Meeting in respect of resolution 3 under Listing Rule 7.8.5(b). The terms of this waiver can be found on the Company's announcement page on the NZX website

(www.nzx.com/companies/ATM/announcements).

#### **Board recommendation**

The Directors of the Company recommend that shareholders vote in favour of resolution 3.

The Annual Meeting of The a2 Milk Company Limited ("a2MC" or the "Company") will be held on Thursday, 16 November 2023 at 9:00am Australian Eastern Daylight Time. The Annual Meeting will be held at The Pullman, Corner Waterloo Quadrant & Princes Street, Auckland 1010, New Zealand and online via the Link Market Services Annual Meeting platform, at <a href="www.virtualmeeting.co.nz/a2MC23">www.virtualmeeting.co.nz/a2MC23</a>. More information regarding virtual attendance and voting at the Annual Meeting is available in the Virtual Meeting Online Portal Guide which will be filed on the ASX and NZX market announcement platforms and be available on the Company's website at <a href="https://thea2milkcompany.com/market-announcements/">https://thea2milkcompany.com/market-announcements/</a>.

If you propose NOT to attend the Annual Meeting physically or virtually but wish to vote by postal vote or appoint a proxy please complete and return all pages of this form to Link Market Services no later than **9:00am** Australian Eastern Daylight Time on **Tuesday, 14 November 2023** (being 48 hours before the commencement of the Annual Meeting). Proxy appointment or postal voting can also be completed **online**. Please read the instructions below before completing this form. Please do not appoint a proxy if you are voting by postal vote.

#### **POSTAL VOTE**

As a shareholder entitled to vote at the Annual Meeting, you are entitled to vote by postal vote. You can cast your postal vote online or by one of the other methods noted above. If you return your postal vote without indicating how you wish to vote, or your indication on how to vote is unclear, on any resolution, you will be deemed to have abstained from voting on that resolution. If you complete the postal vote section and also appoint a proxy, then your postal vote will be cast, and your proxy appointment will not be counted. If this form is returned duly signed by a shareholder with voting instructions completed but without indicating that it is a postal vote or a proxy appointment, it will be deemed to be a postal vote.

# **APPOINTMENT OF PROXY**

A shareholder entitled to attend and vote at the Annual Meeting is entitled to appoint a proxy to attend and vote at the Annual Meeting instead of the shareholder. A proxy need not be a shareholder of a2MC. Any corporation that is a shareholder of a2MC may appoint a person as its representative to attend the Annual Meeting and vote on its behalf, in the same manner as that in which it could appoint a proxy.

# Appointing the Chair of the Annual Meeting or a director as your proxy

If you wish, you may appoint the Chair of the Annual Meeting as your proxy. To do so, please write "Chair of the Meeting" on the line following the words "hereby appoint" in the section on the next page entitled "appoint a proxy to vote on your behalf". The Chair will vote according to your instructions. If the Chair is not instructed how to vote, the Chair intends to vote in favour of each resolution. If you return this form without directing the proxy how to vote on any particular resolution, the proxy will exercise the proxy's discretion as to whether to vote and, if so, how to vote.

#### **VOTING RESTRICTIONS**

In accordance with the ASX Listing Rules, the Company will disregard any votes cast in favour of resolution 3 by or on behalf of David Bortolussi or any of his associates (as defined in the ASX Listing Rules) except where any vote is cast by a person described in the Explanatory Notes to resolution 3 in the Notice of Meeting.

#### ATTENDING THE ANNUAL MEETING
