Resolutions

Resolution 1 Re-election of Mr David John Baird as a Director

Under Article 6.1(f) of the Constitution one-third of the Directors (rounded down to the nearest whole number, if necessary) must retire from office at every annual general meeting, excluding the Managing Director and any Director retiring under Article 6.1(e).

Under ASX Listing Rule 14.4, a director of the Company must not hold office (without re-election) past the Annual General Meeting following the director's appointment or 3 years whichever is longer. Mr Baird was appointed as a director on 17 April 2020 and was elected at the Company's 2020 Annual General Meeting and accordingly, must be re-elected.

Under Article 6.1(i) of the Constitution, a retiring Director is eligible for re-election without having to give any prior notice of an intention to submit for re-election and holds office as a Director until the end of the meeting at which the Director retires.

Mr Baird is a highly respected local government, planning and property environmental law specialist. He has established and managed some of Sydney's most successful local government, planning and governance practices in Band 1 and Band 2 firms.

Mr Baird holds a Bachelor of Arts and Bachelor of Laws from the University of New South Wales. He is a member of the Law Society of NSW and a part time lecturer in Local Government and Planning Law at the University of New South Wales (UNSW).

The Board considers Mr Baird to be an independent non-executive Director. The Board recommends that the Shareholders resolve to re-elect Mr Baird as a Director as his skills and experience makes a significant contribution to the Company.

The Directors, with Mr David John Baird abstaining, recommend Shareholders vote in favour of Resolution 1

Resolution 2 Election of Mr Joseph Screnci as a Director

Under Article 6.1(e) of the Company's Constitution, a Director appointed by the Directors of the Company to fill a causal vacancy or as an addition to the existing Directors must retire at the next AGM following his or her appointment. Mr Screnci was appointed as a Director to fill a casual vacancy on 3 April 2023 and being eligible, offers himself for election.

Mr Screnci holds a Bachelor of Engineering degree from the University of New South Wales and a Master's degree in Business Administration from Macquarie University and has completed the Company Director's Course at the Australian Institute of Company Directors.

Mr Screnci is currently a director of Hoffmann Reed, Mind Resources and Forrest Marketing Group.

Mr Screnci has held non-Executive director roles in a variety of industries including consulting, property development, software development, call centre, allied health, multimedia production, training, migration services, labour hire and not-for-profit. He has extensive experience in business restructuring and transformation, strategic analysis and managing multicultural businesses in the Asia Pacific Region and Europe. He also spent 5 years as a non-executive director for Camp Quality, a not-for-profit organisation whose purpose is to create a better life for every child living with cancer in Australia.

The Board considers Mr Screnci to be an independent non-executive Director. The Board recommends that the Shareholders resolve to elect Mr Screnci as a Director as the Board considers that brings new energy and knowledge to the Company and makes significant contribution to the Board.

The Directors, with Mr Joseph Screnci abstaining, recommend Shareholders vote in favour of Resolution 2

Resolution 3 Remuneration Report

The Remuneration Report contains matters set out in section 300A of the Corporations Act, 2001 ("**Act**") and is contained within the Company's Annual Report under a separate heading and includes, amongst other things, the Board's policies for determining the remuneration of the Company's key management staff.

Section 250SA of the Act provides that members are to be allowed reasonable opportunity to ask questions or make comments about the remuneration report. Section 250R(2) of the Act provides that at a listed company's AGM, a resolution that the remuneration report be adopted must be put to the vote. Section 250R(3) of the Act provides that the vote on the resolution is advisory only and does not bind the directors or the Company.

A voting exclusion applies to Key Management Personnel and their Closely Related Parties in certain circumstances – please see the voting exclusion in the notes to Resolution 3.

Under the Corporations Act, if 25% or more of the votes that are cast are voted against the adoption of the Remuneration Report at two consecutive AGMs, Shareholders will be required to vote at the second of those AGMs on a resolution (a ‘spill’ resolution) that another meeting be held within 90 days at which all of the Company’s Directors (other than the Managing Director) must stand for re-election.

The Directors abstain, in the interests of corporate governance, from making a recommendation in relation to this Resolution.

Resolution 4 Approval of Additional Share Issue Capacity under ASX Listing Rule 7.1A

ASX Listing Rule 7.1A enables eligible entities to issue Equity Securities up to 10% of its issued share capital through placements over a 12 month period after the annual general meeting (**10% Placement Facility**). The 10% Placement Facility is in addition to the Company's 15% placement capacity under ASX Listing Rule 7.1.

An eligible entity for the purposes of ASX Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300 million or less. The Company currently satisfies these criteria, and it is anticipated that it will satisfy both these criteria at the date of the AGM.

The Company is now seeking shareholder approval by way of a special resolution to have the ability to issue Equity Securities under the 10% Placement Facility to issue Equity Securities without Shareholder approval. The exact number of Equity Securities to be issued will be calculated in accordance with the formula in ASX Listing Rule 7.1A.2, at an issue price permitted by Listing Rule 7.1A.3 to such persons as the Board may determine on the terms described in this Explanatory Memorandum.

Resolution 4 is a special resolution and therefore requires approval of 75% of the votes cast by Shareholders attending the meeting and eligible to vote (in person, online, by proxy, by attorney or, in the case of a case of a corporate shareholder, by a corporate representative).

If Resolution 4 is passed, the Company will be able to issue Equity Securities up to the combined 25% limit in ASX Listing Rules 7.1 and 7.1A, without any further shareholder approval.

If Resolution 4 is not passed, the Company will not be able to access the additional 10% capacity to issue Equity Securities without shareholder approval provided for in ASX Listing Rule 7.1A and will remain subject to the 15% limit on issuing Equity Securities without shareholder approval set out in ASX Listing Rule 7.1.

At the date of this Notice, the Company has on issue 199,755,947 fully paid ordinary shares.

Based on the above, and as an example only, the Company would (as at the date this notice of meeting is finalised) have capacity to issue:

- a) 29,963,392 Equity Securities under ASX Listing Rule 7.1; and
- b) 19,975,595 Equity Securities under ASX Listing Rule 7.1A.

The actual numbers of Equity Securities that the Company will have capacity to issue under ASX Listing Rule 7.1A will be calculated at the date of issue of the Equity Securities in accordance with the formula prescribed in the ASX Listing Rule 7.1A.2 (and ASX Listing Rule 7.1 as applicable).

The formula for calculating the 10% Placement Facility under ASX Listing Rule 7.1A.2 provides that eligible entities which have obtained shareholder approval at an annual general meeting may issue or agree to issue, during the 12 month period after the date of the annual general meeting, a number of Equity Securities calculated in accordance with the following formula:

$$(A \times D) - E$$

where

A = The number of fully paid ordinary shares on issue at the commencement of the 12 months immediately preceding the date of issue or agreement to issue:

- plus the number of fully paid ordinary securities issued in the 12 months under an exception to ASX Listing Rule 7.2 other than exception 9, 16 or 17;
- plus the number of fully paid ordinary securities issued in the relevant period on the conversion of convertible securities within ASX Listing Rule 7.2 exception 9 where:
 - o the convertible securities were issued or agreed to be issued before the commencement of the relevant period; or
 - o the issue of, or agreement to issue the convertible securities was approved or taken under these rules to have been approved under ASX Listing Rule 7.1 or 7.4;
- plus the number of fully paid ordinary securities issued in the relevant period under an agreement to issue securities within ASX Listing Rule 7.2 exception 16 where:
 - o the agreement was entered into before the commencement of the relevant period; or
 - o the agreement or issue was approved, or taken under these rules to have been approved under ASX Listing Rule 7.1 or rule 7.4;
- plus the number of partly paid ordinary securities that became fully paid in the relevant period;
- plus the number of any other fully paid ordinary securities issued in the relevant period with the approval under ASX Listing Rule 7.1 or ASX Listing Rule 7.4
- less the number of fully paid ordinary securities cancelled in the last 12 months.

Note that A has the same meaning in ASX Listing Rule 7.1 when calculating an entity's 15% placement capacity.

D = 10%

E = the number of Equity Securities issued or agreed to be issued under ASX Listing Rule 7.1A.2 in the last 12 months immediately preceding the date of issue of the shares where the issue or agreement has not been subsequently approved by the holders of its ordinary securities under ASX Listing Rule 7.4.

The Directors of the Company believe that Resolution 4 is in the best interests of the Company because this resolution provides the ability for the Company to raise additional funds quickly for the new business initiatives over the next 12 months.

Information required by ASX Listing Rule 7.3A

Pursuant to and in accordance with ASX Listing Rule 7.3A, information is provided in relation to the approval of the 10% Placement Facility as follows:

(a) 10% Placement Period

Shareholder approval of the 10% Placement Facility under ASX Listing Rule 7.1A is valid from the date of the annual general meeting at which the approval is obtained and expires on the earlier to occur of:

- (i) the date that is 12 months after the date of the annual general meeting at which the approval is obtained;
- (ii) the time and date of the Company's next annual general meeting; or
- (iii) the time and date of the approval by shareholders of ordinary securities of a transaction under ASX Listing Rules 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking **(10% Placement Period)**).

(b) Minimum Issue Price

Equity Securities issued under Listing Rule 7.1A.2 must be in an existing quoted class of the Company's Equity Securities. The Equity Securities will be issued for cash consideration of not less than 75% of the Volume Weighted Average Price ("**VWAP**") for the Company's Equity Securities over the 15 Trading Days on which trades were recorded immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed by the Company and the recipient of the Equity Securities; or
- (ii) if the Equity Securities are not issued within 10 Trading Days of the date in paragraph (i) above, the date on which the Equity Securities are issued.

(c) Purpose for which the 10% Placement Facility may be implemented

The Company intends to apply funds raised towards an acquisition of new assets or investments (including expenses associated with such acquisition), other business development opportunities and/or for general working capital purposes.

The Company will comply with the disclosure obligations under ASX Listing Rules 7.1A.4 upon issue of any Equity Securities.

(d) Risk of economic and voting dilution

If Resolution 4 is approved by the Shareholders and the Company issues Equity Securities under the 10% Placement Facility, the existing Shareholders' voting power in the Company will be diluted as shown in the below table. There is a risk that:

- (i) the market price for the Company's Equity Securities may be significantly lower on the date of the issue of the Equity Securities than on the date of the Meeting; and
- (ii) the Equity Securities may be issued at a price that is at a discount to the market price for the Company's Equity Securities on the issue date, which may have an effect on the amount of funds raised by the issue of the Equity Securities.

The below table shows the dilution of existing Shareholders on the basis of the current market price of Shares and the current number of ordinary securities for variable "A" calculated in accordance with the formula in ASX Listing Rule 7.1A.2 as at the date of this Notice.

The table also shows:

(i) two examples where variable "A" has increased, by 50% and 100%. Variable "A" is based on the number of ordinary securities the Company has on issue. The number of ordinary securities on issue may increase as a result of issues of ordinary securities that do not require Shareholder approval (for example, a pro rata entitlements issue or scrip issued under a takeover offer) or future specific placements under ASX Listing Rule 7.1 that are approved at a future Shareholders' meeting; and

(ii) two examples of where the issue price of ordinary securities has decreased by 50% and increased by 100% as against the current market price.

Variable "A" in Listing Rule 7.1A.2	Potential dilution and Funds raised			
		\$0.025 50% decrease in Issue Price	\$0.050 Issue Price	\$0.100 100% increase in Issue Price
199,755,947	10% voting dilution ^(c) Shares issued	19,975,595	19,975,595	19,975,595
(Current number of shares on issue) ^(a)	Funds raised	\$499,390	\$998,780	\$1,997,560
299,633,921	10% voting dilution ^(c) Shares issued	29,963,392	29,963,392	29,963,392
(50% increase in shares on issue)	Funds raised	\$749,085	\$1,498,170	\$2,996,339
399,511,894	10% voting dilution ^(c) Shares issued	39,951,189	39,951,189	39,951,189
(100% increase in shares on issue)	Funds raised	\$998,780	\$1,997,559	\$3,995,119

The table has been prepared on the following assumptions:

- (a) Based on the total number of fully paid ordinary shares on issue as at 9 October 2023.
- (b) The issue price is \$0.05, being the closing price of the Shares on ASX on 9 October 2023.
- (c) The Company issues the maximum number of Equity Securities available under the 10% Placement Facility.
- (d) The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
- (e) The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Facility, based on that Shareholder's holding at the date of the AGM.
- (f) The table shows only the effect of issues of Equity Securities under ASX Listing Rule 7.1A, not under the 15% placement capacity under ASX Listing Rule 7.1.
- (g) The issue of Equity Securities under the 10% Placement Facility consists only of Shares. If the issue of Equity Securities includes options, it is assumed that those options are exercised into Shares for the purpose of calculating the voting dilution effect on existing Shareholders.

(e) Allocation policy when the 10% Placement Facility may be implemented

The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue pursuant to the 10% Placement Facility. The identity of the allottees of Equity Securities will be determined on a case-by-case basis having regard to the factors including but not limited to the following:

- (i) the methods of raising funds that are available to the Company, including but not limited to, rights issue or other issue in which existing security holders can participate;
- (ii) the effect of the issue of the Equity Securities on the control of the Company;
- (iii) the financial situation and solvency of the Company; and
- (iv) advice from corporate, financial and broking advisers (if applicable).

The allottees under the 10% Placement Facility have not been determined as at the date of this Notice. However, the recipients of Equity Securities could consist of current Shareholders and/or new Shareholders (or both), none of whom will be related parties or associates of a related party of the Company.

(f) Prior Approvals under ASX Listing Rule 7.1A

The Company obtained Shareholder approval under ASX Listing Rule 7.1A at the Company's last Annual General Meeting held on 30 November 2022.

The Company has not issued any Equity Securities under ASX Listing Rule 7.1A.2 in the 12 months preceding the date of this meeting.

(g) Voting Exclusions

A voting exclusion statement is included in the Notice. At the date of the Notice, the Company has not approached any particular existing Shareholder or security holder or an identifiable class of existing security holder to participate in the issue of the Equity Securities utilising this 10% Placement Facility following the AGM.

The Directors unanimously recommend Shareholders vote in favour of Resolution 4.

Resolution 5 Approval of Grant of Options to Michael Micallef, CEO & Managing Director of the Company

Background

Mr Micallef was appointed as Managing Director with effect from 25 July 2022.

Mr Micallef's equity-based remuneration includes the grant of up to a total of 15,000,000 options at various exercise prices in 5 yearly tranches.

Shareholder approval is sought for the grant of the second tranche of 2,000,000 unquoted options at an exercise price of \$0.10 per option (**Options**).

ASX Listing Rules

ASX Listing Rule 10.11 provides that unless one of the exceptions in ASX Listing Rule 10.12 applies, a listed entity must not issue or agree to issue Equity Securities to, amongst others, a related party (which includes a director) unless it obtains the approval of its shareholders. The proposed grant of Options falls within ASX Listing Rule 10.11.1 and does not fall within any of the exceptions of ASX Listing Rule 10.12. It therefore requires the approval of the Company's shareholders under ASX Listing Rule 10.11.

If this Resolution is passed, the Company will be able to proceed with the grant of Options to the Managing Director and the grant of options will not be counted towards the Company's 15% placement capacity under ASX Listing Rule 7.1.

If this Resolution is not passed, the Company will not be able to proceed with proposed grant of Options to Michael Micallef. If this occurs, the Company intends to re-negotiate Mr Micallef's remuneration.

Chapter 2E of the Corporations Act – related party benefit

Chapter 2E of the Corporations Act prohibits the Company from giving a financial benefit to a related party of the Company unless either:

- a) the giving of the financial benefit falls within one of the exceptions to the provisions; or
- b) Shareholder approval is obtained prior to the giving of a financial benefit.

The proposed grant of Options constitutes the giving of a financial benefit.

A "related party" for the purposes of the Corporations Act and the Listing Rules is widely defined and includes a director of a public company, a spouse of a director of a public company or an entity controlled by a director of a public company. The definition of "related party" also includes a person whom there is reasonable grounds to believe will become a "related party" of a public company.

The non-conflicted Directors of the Company (being Jonathan Doy, David Baird, Jie Ma and Joseph Screnci) carefully considered the grant of these Options to Michael Micallef and formed the view that the giving of this financial benefit as part of Mr Micallef's remuneration would be reasonable, given the circumstances of the Company, the quantum and terms of the Options, and the responsibilities held by Michael Micallef in the Company.

Accordingly, the non-conflicted Directors of the Company believe that the grant of these Options to Michael Micallef fall within the "reasonable remuneration" exception as set out in section 211 of the Corporations Act, and relies on this exception for the purposes of this Resolution. Therefore, the proposed grant of Options to Michael Micallef requires Shareholder approval under and for the purposes of Listing Rule 10.11 only.

Chapter 2D.2 of the Corporations Act – termination benefit

Section 200B of the Corporations Act requires shareholder approval by ordinary resolution, and in accordance with the provisions of section 200E of the Corporations Act, in order to access the exemption from the prohibition on a company giving a person a benefit in connection with that person's retirement from an office or employment in that company where that person is, or was in the three years prior to his or her retirement, in a managerial or executive office in that company.

Where Mr Micallef ceases employment with the Company, the Options will immediately lapse. However, the Board retains a discretion to determine a different treatment for the Options on cessation of employment.

The Board has not determined whether it will exercise its discretion or, in what circumstances, it may exercise its discretion or what conditions it might require. But the Board considers that it should have the flexibility to exercise its discretion in the appropriate circumstances in the interests of the Company.

An exercise of the Board's discretion may result in the Company providing a benefit to Mr Micallef in connection with his retirement from office. The value of that benefit cannot be determined in advance, as many of the factors that will or are likely to affect that value (such as the Company's share price) will not be known until the benefit is decided to be given (if at all). Shareholder approval is sought for the provision of such a benefit which may arise in the circumstances described above.

Resolution 6 Adoption of proportional takeover provisions

Proportional takeover provisions

A proportional takeover bid is one under which an offer is made for only a proportion of each Shareholder's shares. Rule 14 of the Constitution prohibits the registration of a transfer of shares under a proportional takeover bid (being an off-market bid for a specific proportion of a class of shares) unless and until an ordinary resolution approving the bid is passed by the relevant shareholders (**Proportional Takeover Provisions**).

Under the Corporations Act, the Proportional Takeover Provisions will apply for a maximum period of 3 years unless earlier renewed at a general meeting. The Proportional Takeover Provisions were not renewed in the last three years and have expired. Accordingly, a special resolution is being put to Shareholders under sections 136(2) and 648G of the Corporations Act to approve the adoption of rule 14 of the Constitution for the period from 24 November 2023 up to and including 24 November 2026.

Effect of Proportional Takeover Provisions

The effect of Proportional Takeover Provisions is that, if a proportional takeover bid is made to Shareholders, the Directors are required to seek Shareholder approval for such takeover bid at least 14 days before the last day of the bid period.

The resolution approving the bid must be passed by more than 50% of the votes cast on the resolution. The bidder and any associate of the bidder will be excluded from voting. If a resolution to approve the bid is voted on and is rejected, all offers under the bid are taken to be withdrawn and each binding takeover contract for the bid can be rescinded. If no resolution has been voted on to approve the bid in the required timeframe, a resolution is taken to have been passed approving the bid.

The proportional takeover provisions do not apply to full takeover bids and, if Resolution 6 is passed, it will only apply until 24 November 2026, unless renewed again by Shareholders.

Reasons for adopting and renewing the proportional takeover provisions

A proportional takeover bid involves an offer to buy only a specified portion of each Shareholder's shares. Therefore, without the proportional takeover provisions, a proportional takeover bid for the Company might enable a bidder to obtain control of the Company without Shareholders having an opportunity to sell all their shares. The proportional takeover provisions give Shareholders the opportunity to decide whether or not a proportional takeover bid is acceptable and should be allowed proceed. If a meeting of Shareholders approves such a bid, individual Shareholders can make separate decisions as to whether or not they wish to accept that bid for the specified proportion of their shares.

Potential advantages of renewal - Shareholders

The Proportional Takeover Provisions ensure that all Shareholders have an opportunity to consider a proportional takeover bid and vote on whether it should be permitted to proceed. The provisions may help Shareholders avoid being locked in as a minority and avoid a bidder acquiring control of the Company without paying an adequate control premium. The provisions may assist in ensuring that any future proportional takeover bid is structured to be attractive to a majority of independent Shareholders.

Potential disadvantages of renewal - Shareholders

However, the Proportional Takeover Provisions may make a proportional takeover more difficult to achieve and therefore discourage proportional bids. This in turn, may reduce opportunities for Shareholders to sell shares in the Company at an attractive price to persons seeking control of the Company and may therefore eliminate any element of takeover speculation from the Company's share price. It may also be argued that the provisions constitute an additional restriction on the ability of Shareholders to deal freely with their shares.

Potential advantages and disadvantages of renewal – Directors

There are no specific advantages or disadvantages for Directors (in their capacity as Directors of the Company) of the Proportional Takeover Provisions.

Present acquisition proposals

At the date of this notice, no Director is aware of any proposal by any person to acquire, or to increase the extent of, a substantial interest in the Company.

Special resolution

Resolution 6 is a special resolution and therefore requires approval of 75% of the votes cast by Shareholders present and eligible to vote (in person online, by proxy, by attorney, in the case of a corporate Shareholder, by a corporate representative). The Board considers that the inclusion of the Proportional Takeover Provisions is in the best interests of Shareholders.

The Directors unanimously recommend Shareholders vote in favour of Resolution 6.

1. Subject to and conditional upon the Exercise Conditions being met and subject to these terms and conditions, each Option entitles the Holder to subscribe for the allotment and issue of one fully paid ordinary share in the Company upon payment of the Exercise Price during the Exercise Period.

Exercise Price

2. The Exercise Price of the Option is \$0.10 per Option (**Exercise Price**).

Exercise Period

3. Subject to paragraph 1, an Option is exercisable at any time on and from the First Exercise Date until 5.00pm Sydney time on the Last Exercise Date. Options not exercised by the Last Exercise Date lapse (**Exercise Period**).
4. The Company will at least 10 Business Days before the Last Exercise Date send notices to the Holder stating the name of the Holder, the number of Options held and the number of securities to be issued on exercise of the Option, the exercise price, the due date for payment and the consequences of non-payment.

Exercise Conditions

5. The Holder is not entitled to exercise any Option unless each of the following conditions are satisfied at the time of exercise of the Option:
 - (a) The Executive is employed by the Company and not having given or been given any notice of termination.
 - (b) The exercise of the Option would not result in a contravention of the Constitution of the Company, ASX's Listing Rules or the Corporations Act 2001.

Lapse of Options

6. Subject to paragraph 7, an Option will lapse on the earliest of:
 - (a) the Last Exercise Date;
 - (b) the date on which the Holder ceases to be employed by the Company (other than due to the occurrence of a Special Circumstance); or
 - (c) the receipt by the Company of notice from the Holder that the Holder has elected to surrender the Option.
7. Paragraph 6 is subject to the Board, in its discretion, allowing the Holder to exercise all or any of his/her Options, whether or not the Exercise Conditions have been satisfied, and whether or not the Options would otherwise have lapsed, provided that no Options will be capable of exercise later than the Last Exercise Date.

10. On an Option lapsing, the Option is cancelled and all rights of the Holder in respect of the Option cease and no consideration or compensation will be payable for or in relation to that lapse.

Option certificate

11. A certificate will be issued for the Options. If there is more than one Option on a certificate and prior to the Last Exercise Date of those Options are exercised in part, the Company will issue another certificate for the balance of the Options held and not yet exercised.

Manner of exercise of Options

12. Each Option may be exercised by giving notice in writing to the Company at its registered office accompanied by the Option certificate and payment of the required Exercise Price. All cheques must be payable to the Company and be crossed not negotiable. The Holder may not exercise less than 250,000 Options at any one time (or such other number as the Board may resolve from time to time).

Timing of issue of Shares

13. After an Option is validly exercised, the Company must:
 - (a) issue and allot the Shares within 5 Business Days of the exercise of the Option; and
 - (b) subject to the securities of the Company being listed on ASX and to any restrictions imposed on the Options or shares issued upon exercise of the Options under the Listing Rules of ASX, do all such acts matters and things to obtain the grant of quotation for the Shares on ASX no later than 3 Business Days after the date of issue and allotment of the Shares.

Ranking of Shares

14. Shares issued on the exercise of Options will rank equally with all existing Shares on and from the date of issue in all respects.

Options personal to the Holder

15. Options are personal to the Holder and, unless the Board resolves otherwise or permitted by these terms and conditions, may not be transferred or exercised by any other person or body corporate except that they may be transferred by transmission to the Holder's legal personal representative in the same way as Shares are capable of being transferred by transmission and the Holder's legal personal representative may exercise the Options.

Participation in new issues

16. The Holder may participate in new issues of securities to holders of Shares only if and to the extent that:
 - (a) an Option has been exercised; and
 - (b) a Share has been issued in respect of the exercise before the record date for determining entitlements to the new issue.
17. The Company must give notice to the Holder of any new issue not less than 10 Business Days before the record date for determining entitlements to the issue.

Adjustment for bonus issues of shares

18. If the Company makes a bonus issue of shares or other securities to existing shareholders (other than an issue in lieu or in satisfaction, of dividends or by way of dividend reinvestment):
- (a) the number of Shares which must be issued on the exercise of an Option will be increased by the number of Shares which the Holder would have received if the Holder had exercised the Option before the record date for the bonus issue; and
 - (b) no change will be made to the Exercise Price.

Adjustment for rights issue

19. If the Company makes an issue of shares pro rata to existing shareholders (other than an issue in lieu of in satisfaction of dividends or by way of dividend reinvestment) the exercise price of an Option will be reduced according to the following formula:

$$\text{New exercise price} = O - \frac{E[P-(S+D)]}{N + 1}$$

where

- O = the old exercise price of the Option.
- E = the number of underlying shares into which one Option is exercisable.
- P = the average market price per of Share (weighted by reference to volume) of the underlying Shares during the 5 trading days ending on the day before the ex rights date or ex entitlements date.
- S = the subscription price of a share under the pro rata issue.
- D = the dividend due but not yet paid on the existing underlying shares (except those to be issued under the pro rata issue).
- N = the number of shares with rights or entitlements that must be held to receive a right to one new share.

Reconstructions

20. If there is any reconstruction of the issued share capital of the Company, the number of Shares to which the Holder is entitled, and/or the Exercise Price, must be reconstructed in a manner which complies with the ASX Listing Rules (which will not result in any benefits being conferred on the Holder which are not conferred on shareholders and subject to the provisions with respect to rounding of entitlements as sanctioned by the meeting of shareholders approving the reconstruction of capital), but in all other respects, the terms for the exercise of an Option will remain unchanged.

Takeovers

21. If a takeover bid or other offer is made to acquire some or all of the issued Shares of the Company, the Board must give written notice to the Holder of the takeover bid or takeover bid (Takeover Notice) specifying a period of no less than 5 Business Days during which Options may be exercised.
22. If paragraph 21 applies, the Holder will be entitled:
 - (a) in the period referred to in the Takeover Notice, to exercise all or any of his/her Options (even if they have not vested); and
 - (b) to receive from the offeror the consideration payable on acceptance of the takeover bid or offer.

Compromise and arrangements

23. If, under Part 5.1 of the Corporations Act 2001, the Court sanctions a compromise or arrangement proposed for the purpose of, or in connection with, a scheme for the reconstruction of the Company or its amalgamation with any other company or companies which, if implemented, would result in a change in the Control of the Company, the Board must give written notice to the Holder of the compromise or arrangement (Reconstruction Notice) specifying a period of not less than 5 Business Days during which Options may be exercised.
24. If paragraph 23 applies the Holder will be entitled:
 - (a) in the period referred to in the Reconstruction Notice, to exercise all or any of his/her Options (even if they have not vested); and
 - (b) to receive the consideration payable upon the scheme becoming effective.

Ability to exercise Options

25. The Holder may exercise all or any of their Options in accordance with paragraphs 22 or 24, regardless of whether or not:
 - (a) the Exercise Conditions have been satisfied; or
 - (b) the First Exercise Date has arrived,provided that no Option will be capable of exercise later than the Last Exercise Date.

Aggregation

26. If a number of Options are exercised simultaneously, the number of Shares or fractions of Shares which are to be issued as a consequence of those exercises, may be aggregated. Any fraction in that aggregate number only will be disregarded in determining the total entitlement of the Holder.

Clawback

27. If in the reasonable opinion of the Board you have done any of the following:
 - (a) acted fraudulently or dishonestly;

- (b) wilfully breached your obligations to any member of the Group;
 - (c) engaged in serious misconduct or gross negligence; or
 - (d) caused material reputational damage to any member of the Group.
28. The Company is entitled to take any action to ensure that, in the opinion of the Board, no unfair benefit is obtained by you as a result of those circumstances including without limitation:
- (a) reducing the number of options not yet granted;
 - (b) forfeiting all or some of the options which have been granted but not exercised;
 - (c) if any Shares have been issued on exercise of any options, requiring the Executive to pay to the Company the cash proceeds received from any sale of those Shares (less any tax or sale costs (**Clawback Amount**)); or
 - (d) withholding and deducting from any amounts otherwise payable to you by the Group an amount equal to any Clawback Amount by way of set off.
29. The Board may in its discretion impose such conditions as it thinks fit on any forfeiture or clawback under paragraph 28.
30. To the extent permitted by law, you will not be entitled to any compensation if the Company exercises its rights under paragraph 28 and you release, indemnify and keep indemnified the Company, Board and the Trustee (**Indemnified Persons**) from any such claims and the Company accepts such release and indemnity on behalf of all Indemnified Persons.

Interpretation

31. In these terms and conditions, the following words and expressions have the following meanings:

First Exercise Date means the date which is 6 months after the date of grant.

Last Exercise Date means the date which is 24 months after the date of grant.

legal personal representative means the executor of the will or an administrator of the estate of a deceased person or the trustee of the estate of a person under a legal disability.

Special Circumstances means in relation to the Holder:

- (a) his Total and Permanent Disablement;
- (b) his death; or
- (c) such other circumstances as the Board may at any time determine (whether before or after the date of grant of the Options).

Total and Permanent Disablement means that the Holder has, in the reasonable opinion of the Board, become permanently incapacitated to such an extent as to render the Holder unlikely to engage in the Holder's usual occupation again.
