Review of operations

For the half-year period ended 31 December 2023, the Group reported an increase in revenue of 51.1% to \$46.6 million from \$30.8 million in the previous corresponding period (six months ended 31 December 2022). As the Group invoices its customers in US dollars, this currency is a more relevant measure of sales performance. In US dollars, revenue increased by 47.7% to US\$30.4 million in the current period from US\$20.6 million in the previous corresponding period.

Gross profit dollars increased by 52.6% to \$33.5 million in the half-year ended 31 December 2023 from \$21.9 million in the previous corresponding period. The gross margin for the half-year ended 31 December 2023 improved to 71.8%, exceeding the 71.2% recorded in the previous corresponding period.

The directors consider Earnings Before Interest, Tax, Depreciation and Amortisation ('EBITDA') to reflect the core earnings of the Group. EBITDA is a financial measure which is not prescribed by Australian Accounting Standards ('AAS') and represents the profit under AAS adjusted for non-cash and significant items. The Group's reconciliation of its statutory net profit after tax for the current and previous year to EBITDA is as follows:

	Consolidated	
	31 Dec 2023	31 Dec 2022
	\$'000	\$'000
Profit/(loss) after income tax expense for the half-year	4,745	(381)

Revaluation of deferred contingent consideration	-	(439)
Other income	-	(4)
Net foreign exchange loss	195	45

Income tax expense/(benefit)	844	(4)
Depreciation and amortisation	5,899	5,137
EBITDA	<u>10,089</u>	<u>4,266</u>

Operating expenses, which consist of employee benefit expenses, sales and marketing expenses and administration and other operating expenses increased by approximately 32.3% to \$23.4 million in the half-year ended 31 December 2023 from \$17.7 million in the previous corresponding period. The key movement was due to a \$3.6 million increase in employee costs as headcount grew from 186 to 204 at 31 December 2023, salaries increased and the annualisation timing of new headcount over this period. Sales and marketing expenses increased by \$0.7 million from the previous corresponding period due to the increased spend on advertising and rebranding. Administration and other operating expenses increased by \$1.4 million due to increased software subscriptions, travel and professional services expenses. EBITDA was \$10.1 million in the half-year ended 31 December 2023 compared to \$4.3 million in the previous corresponding period.

An increase in the capitalised development cost asset has resulted in a rise in the depreciation and amortisation expense to \$5.9 million during the half-year ended 31 December 2023, compared to \$5.1 million in the previous corresponding period. Audinate recognised an income tax expense of \$0.8 million during the half-year ended 31 December 2023 compared to a nominal income tax benefit in the previous corresponding period.

Due to the movements described above, the net profit after tax was \$4.7 million for the half-year ended 31 December 2023, compared to a \$0.4 million net loss after tax in the corresponding prior period.

Independent auditor's review report to the members of Audinate Group Limited

Conclusion

We have reviewed the accompanying half-year financial report of Audinate Group Limited (the Company) and its subsidiaries (collectively the Group), which comprises the consolidated statement of financial position as at 31 December 2023, the consolidated statement of profit or loss and other comprehensive income, consolidated statement of changes in equity and consolidated statement of cash flows for the half-year ended on that date, notes comprising the material accounting policy information and other explanatory information, and the directors' declaration.

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the half-year financial report of the Group does not comply with the *Corporations Act 2001*, including:

- a. Giving a true and fair view of the consolidated financial position of the Group as at 31 December 2023 and of its consolidated financial performance for the half-year ended on that date; and
- b. Complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

Basis for conclusion

We conducted our review in accordance with ASRE 2410 *Review of a Financial Report Performed by the Independent Auditor of the Entity* (ASRE 2410). Our responsibilities are further described in the *Auditor's responsibilities for the review of the half-year financial report* section of our report. We are independent of the Group in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to our audit of the annual financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

Directors' responsibilities for the half-year financial report

The directors of the Company are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the half-year financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

Auditor's responsibilities for the review of the half-year financial report

Our responsibility is to express a conclusion on the half-year financial report based on our review. ASRE 2410 requires us to conclude whether we have become aware of any matter that makes us believe that the half-year financial report is not in accordance with the *Corporations Act 2001* including giving a true and fair view of the Group's financial position as at 31 December 2023 and its performance for the half-year ended on that date, and complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

**Building a better
working world**

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
