Dear Shannon

Discovery Metals Limited – Trading Halt Request

As discussed, Discovery Metals Limited (**Discovery Metals** or **Company**) requests that an immediate voluntary trading halt be granted by ASX with respect to Discovery Metals' securities (ASX code: **DML**).

In accordance with ASX Listing Rule 17.1, Discovery Metals provides the following information:

1. The trading halt is requested pending the release of an announcement to the market in connection with the re-profiling of the debt under the Boseto Project Finance Facility and the Single Currency Revolving Agreement with the Company's lenders (**Debt Re-profile**). The trading halt is necessary, as otherwise trading in Discovery Metals' securities may occur in an uninformed market.
2. Discovery Metals requests the trading halt immediately, and that it continue until the Company is in a position to make an announcement to the market concerning the Debt Re-profile.
3. Discovery Metals expects that a further announcement concerning the Debt Re-profile will be made prior to the commencement of trading on Thursday, 15 May 2014, triggering the lifting of the trading halt.

Discovery Metals is not aware of any reason why the trading halt should not be granted.

Yours faithfully

Paul Frederiks
Company Secretary
