**About Cann Group**

Cann Group is building a world-class business focused on breeding, cultivating and manufacturing medicinal cannabis for sale and use within Australia. The company has established research and cultivation facilities in Melbourne and is striving to provide access to medicinal cannabis for Australian patients. Cann Group has executed collaboration agreements that will enable it to establish a leading position in plant genetics, breeding, extraction, analysis and production techniques required to facilitate the supply of medicinal cannabis for a range of diseases and medical conditions. It was issued with Australia's first medicinal cannabis research licence in February 2017, in addition to Australia's first medicinal cannabis cultivation licence in March 2017. Aurora Cannabis Inc – one of Canada's largest listed medicinal cannabis companies – is a cornerstone investor in Cann, with a 22.9% shareholding.
