

Change of Company Secretary

Melbourne, Australia – 4 May 2023: Adherium Limited (“Adherium”; ASX: ADR), a leader in respiratory eHealth, remote monitoring and data management solutions, announces the appointment of Brett Tucker as Company Secretary following the resignation of Rob Turnbull.

Mr Tucker holds a Bachelor of Commerce from the University of Western Australia and has completed the Chartered Accountant program. With over 10 years’ experience in governance and equity capital markets, he has been a company secretary for numerous ASX listed and unlisted public & private companies across a range of industries, including technology and healthcare.

The Company wishes to thank Rob Turnbull for his contribution to the Company over his nine years of service as Company Secretary where his dedication, professionalism and knowledge has been of great benefit to the Company. Rob was also CFO at the time of the IPO and most recently guided the Company through its successful capital raise late last year. He has held various senior management positions with the Company during this time and the Company wishes him well in his future endeavours.

About Adherium (ASX: ADR)

Adherium is a provider of integrated digital health solutions and a worldwide leader in connected respiratory medical devices, with more than 180,000 sold globally. Adherium’s Hailie platform solution provides clinicians, healthcare providers and patients access to remotely monitor medication usage parameters and adherence, supporting reimbursement for qualifying patient management.

The Hailie solution includes a suite of integration tools to enable the capture and sharing of health data via mobile and desktop apps, Software Development Kit (SDK) and Application Programming Interface (API) integration tools, and Adherium's own broad range of sensors connected to respiratory medications. Adherium's Hailie solution is designed to provide visibility to healthcare providers of medication use history to better understand patterns in patient respiratory disease.
