Global Health Limited (ASX:GLH) ("Global Health" or "the Group") is pleased to announce that they have been chosen to implement their MasterCare PAS solution and HotHealth Patient Engagement platform at the upcoming Adeney Private Hospital in Kew, Victoria. This contract signifies a significant milestone for Global Health, as they partner with a collaboration between a group of local doctors and Medibank Private. Anticipated to commence operations in mid-2024, Adeney Private Hospital will pioneer the zero-gap model in Australia, ensuring privately insured patients are exempt from any additional expenses.

Adeney Private Hospital will offer exceptional care with its state-of-the-art facilities, including 5 theatres, 30 beds, and an additional 12 oncology chairs dedicated to serving short-stay patients. What sets Adeney apart is its innovative approach, combining prehabilitation and rehabilitation services that extend beyond the hospital setting. This unique focus ensures seamless continuity of care for patients even after discharge, promoting their overall well-being and recovery.

Contract Delivers MasterCare's Comprehensive Patient Administration Solution and HotHealth Patient Portal for Enhanced Digital Patient Engagement

The contract will deliver MasterCare's Patient Administration Solution to manage patient registration, billing, theatre management, clinical coding and admission/discharge for patients attending the hospital. MasterCare PAS will be combined with HotHealth Patient Portal to enhance the patient experience through digital engagement.

Adeney Private Hospital CEO, Louise O'Connor commented: "We are delighted to be partnering with Global Health, an ASX listed Australian Company with over 30 years' experience working with Private Hospitals around Australia. The platform will make up part of our hospital's standard operating model which is being designed to be repeatable for similarly structured joint ventures and initiatives in the future."

Global Health Managing Director Mathew Cherian said: "The team is excited to work with Private Hospitals like Adeney who are looking to be innovators and disruptors in the Private Hospital space. We've enjoyed learning all about Adeney Private Hospital's unique and

innovative approach to care delivery and are excited that our solutions will be in place to support the hospital vision."
