

ASX Announcement

15 November 2023

Update on Audit Schedule

Atomos Limited (**ASX: AMS**, '**Atomos**' or the '**Company**') today provides an update in relation to the release of its FY23 audited financial statements (**Audited Accounts**).

The Audited Accounts, audited by Moore Australia, are well progressed and now largely in final form, pending further verification and clarity around various capital management initiatives.

The Company has several options available and is prioritising discussions with parties in an expedited manner to optimise the outcome for all shareholders.

Atomos expects to provide a further update on the release of the Audited Accounts and capital management initiatives by early December 2023.

This announcement is authorised for lodgement with ASX by the Atomos Board of Directors.

Atomos' Interactive Investor Hub

Our investor hub is an interactive location to engage with the Atomos team on our announcements and updates. Please go to the Atomos Investor Hub for all market announcements and other news <https://announcements.atomos.com>.

We welcome investors to ask questions and add comments to which our team can respond where possible.

About Atomos:

ATOMOS designs pioneering products that transform the way film and video content is made around the world. From our range of hardware devices for monitoring and recording, easy-to-use software tools, and intelligent cloud services, we engineer best-in-class technologies and create products for the next generation of filmmakers.

Through relentless innovation, we simplify your workflow. Whether you record cinema-quality footage, monitor a scene with crystal clear colour accuracy, switch between multiple cameras, or stream a live event with a portable studio, ATOMOS empowers anyone to realize the best possible version of their creative potential.

ATOMOS is based in Melbourne, Australia, with a distributed worldwide team and offices in the USA, Japan, China, UK, and Germany and has a worldwide distribution partner network.
