14 November 2005

Advent Limited announces sale of shares in Vignette Corporation (USA)

The directors of Advent Limited today announce the sale of 75,709 shares held in Vignette Corporation. This is the first on market sale of the 1,012,958 shares acquired in 2004 as part of the sale of Tower Technologies Pty Ltd to Vignette.

The sale was effected at US\$18.21 per share and represents a profit in the company's books of approximately A\$477,000 based on the 30 June 2005 valuation after allowance for exchange rate, brokerage, tax and managers fees.
