Financial Statements and Report

Under the Corporations Act, the directors of the Company must table the Financial Report, the Directors' Report and the Auditor's Report for Audalia Resources for the year ended 30 June 2023 (**Annual Report**) at the Meeting.

These reports, together with the declaration of Directors, are set out in the Annual Report. Shareholders who elected to receive a printed copy of annual reports should have received the Annual Report with this Notice of Annual General Meeting. In accordance with section 314 (1AA)(c) of the Corporations Act, the Company advises the Annual Report is available from the Company's website: <http://www.audalia.com.au/files/230928-ACP-30-June-2023-Annual-report.pdf>

In accordance with section 317 of the Corporations Act, Shareholders will be offered the opportunity to discuss the Annual Report, including the Financial Report, the Directors' Report and the Auditor's Report for the financial year ended 30 June 2023.

There is no requirement for Shareholders to approve the Annual Report.

At the Meeting, Shareholders will be offered the opportunity to:

- (a) discuss the Annual Report, which is available online;
- (b) ask questions about, or comment on, the management of the Company; and
- (c) ask the Auditor questions about:
 - (i) the conduct of the audit;
 - (ii) the preparation and contents of the Auditor's Report;
 - (iii) the accounting policies adopted by the Company in relation to the preparation of the financial statements; and
 - (iv) the independence of the Auditor in relation to the conduct of the audit.

In addition to taking questions at the Meeting, written questions to the Chair about the management of the Company, or to the Auditor about:

- (a) the content of the Auditor's Report; and
- (b) the conduct of the audit of the Annual Report,

may be submitted no later than 5 business days before the Meeting to the Company Secretary at the Company's registered office.

1. Resolution 1 – Adoption of Remuneration Report

1.1 General

Under the Corporations Act, the Company is required to include, in the Directors' Report, a detailed Remuneration Report setting out the prescribed information in relation to the remuneration of directors and executives of Audalia Resources and the Company's remuneration practices.

Shareholders will be given reasonable opportunity at the meeting to ask questions and make comments on the Remuneration Report.

Under section 250R(2) of the Corporations Act, the Remuneration Report is required to be submitted for adoption by a resolution of Shareholders at the Annual General Meeting. The vote on this Resolution is advisory only and does not bind the directors or the Company. However, the Board will take the outcome of the vote into consideration when reviewing remuneration practices and policies.

1.2 Voting consequences

Under the Corporations Act, a company is required to put to its shareholders a resolution proposing the calling of another meeting of shareholders to consider the appointment of directors of the company (**Spill Resolution**) if, at consecutive annual general meetings, at least 25% of the votes cast on a remuneration report resolution are voted against adoption of the remuneration report and at the first of those annual general meetings a Spill Resolution was not put to vote. If required, the Spill Resolution must be put to vote at the second of those annual general meetings.

If more than 50% of votes cast are in favour of the Spill Resolution, the company must convene a shareholder meeting (**Spill Meeting**) within 90 days of the second annual general meeting.

All of the directors of the company who were in office when the directors' report (as included in the company's annual financial report for the most recent financial year) was approved, other than the managing director of the company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting.

Following the Spill Meeting those persons whose election or re-election as directors of the company is approved will be the directors of the company.

1.3 Previous voting results

At the Company's previous Annual General Meeting the votes cast against the remuneration report considered at that annual general meeting were less than 25%. Accordingly, the Spill Resolution is not relevant for this Meeting.

1.4 Voting Intention

The Chair of the Meeting intends to vote all available proxies in favour of the Resolution.

2. Background to Resolutions 2, 3, 4 and 5 – Re-election of Directors

ASX Listing Rule 14.4 provides that other than a managing director, a director of an entity must not hold office (without re-election) past the third AGM following the director's appointment or 3 years, whichever is the longer. However, where there is more than one managing director, only one is entitled not to be subject to re-election.

Clause 13.2 of the Constitution requires that at the annual general meeting, one-third of the Directors for the time being, or, if their number is not a multiple of 3, then the number nearest one-third (rounded upwards in case of doubt) shall retire from office, provided always that no Director other than the Managing Director shall hold office for more than 3 years or until the third annual general meeting following his or her appointment, whichever is the longer, without submitting himself for re-election. The Directors to retire at an annual general meeting are those who have been longest in office since their last election. In determining the number of Directors to retire by rotation, no account is to be taken of a Director who only holds office until the next annual general meeting pursuant to clause 13.4 of the Constitution. A retiring director is eligible for re-election.

The Directors have resolved to implement best practice and to request that Shareholders consider the re-election of all Directors at each annual general meeting. This practice provides Shareholders with an opportunity to vote on the re-election of each of the Company's Directors each year and ask questions about their proposed re-appointment.

3. Resolution 2 – Election of Director – Mr Adam Buckler

3.1 General

Mr Buckler, who has served as a director since 1 August 2022 and was last re-elected at the Company's 2022 Annual General Meeting held on 30 November 2022, retires in accordance with the Company's Constitution and the current practice of the Board and, being eligible, offers himself for re-election.

Accordingly, the Board (other than Mr Buckler) recommends Shareholders vote in favour of the Resolution.

6.5 Voting Intention

The Chair of the Meeting intends to vote undirected proxies in favour of the Resolution.

7. Resolution 6 – Approval of 7.1A Mandate

7.1 Background

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

However, under Listing Rule 7.1A, an eligible entity may seek shareholder approval by way of a special resolution passed at its annual general meeting to increase this 15% limit by an extra 10% to 25% (**7.1A Mandate**).

An 'eligible entity' means an entity which is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300,000,000 or less. The Company is an eligible entity for these purposes.

As at the date of this Notice, the Company is an eligible entity as it is not included in the S&P/ASX 300 Index and has a current market capitalisation of \$8,305,634 (based on the number of Shares on issue and the closing price of Shares on the ASX on 6 October 2023).

Resolution 6 seeks Shareholder approval by way of special resolution for the Company to have the additional 10% placement capacity provided for in Listing Rule 7.1A to issue Equity Securities without Shareholder approval.

For note, a special resolution is a resolution requiring at least 75% of votes cast by shareholders present and eligible to vote at the meeting in favour of the resolution.

If Resolution 6 is passed, the Company will be able to issue Equity Securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further Shareholder approval.

If Resolution 6 is not passed, the Company will not be able to access the additional 10% capacity to issue Equity Securities without Shareholder approval under Listing Rule 7.1A, and will remain subject to the 15% limit on issuing Equity Securities without Shareholder approval set out in Listing Rule 7.1.

7.2 Technical information required by Listing Rule 7.1A

Pursuant to and in accordance with Listing Rule 7.3A, the information is provided below in relation to Resolution 6:

(a) Period for which the 7.1A Mandate is valid

The 7.1A Mandate will commence on the date of the Meeting and expire on the first to occur of the following:

- (i) the date that is 12 months after the date of this Meeting;
- (ii) the time and date of the Company's next annual general meeting; and

- (iii) the time and date of approval by Shareholders of any transaction under Listing Rule 11.1.2 (a significant change in the nature or scale of activities) or Listing Rule 11.2 (disposal of the main undertaking).

(b) Minimum Price

Any Equity Securities issued under the 7.1A Mandate must be in an existing quoted class of Equity Securities and be issued at a minimum price of 75% of the volume weighted average price of Equity Securities in that class, calculated over the 15 Trading Days on which trades in that class were recorded immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed by the entity and the recipient of the Equity Securities; or
- (ii) if the Equity Securities are not issued within 10 Trading Days of the date in paragraph (i) above, the date on which the Equity Securities are issued.

(c) Use of funds raised under the 7.1A Mandate

The Company intends to use funds raised from issues of Equity Securities under the 7.1A Mandate to progress the exploration and evaluation work at the Company's Medcalf Project, the acquisition of new resources and assets (including expenses associated with such an acquisition), supplementing general working capital and covering the costs of the issue of Equity Securities.

(d) Risk of Economic and Voting Dilution

Any issue of Equity Securities under the 7.1A Mandate will dilute the interests of those Shareholders who do not receive any Shares under the issue.

If Resolution 6 is approved by Shareholders and the Company issues the maximum number of Equity Securities available under the 7.1A Mandate, the economic and voting dilution of existing Shares would be as shown in the table below.

The table below shows the dilution of existing Shareholders calculated in accordance with the formula outlined in Listing Rule 7.1A.2, on the basis of the closing market price of Shares and the number of Equity Securities on issue as at 6 October 2023.

The table also shows the voting dilution impact where the number of Shares on issue (Variable A in the formula) changes and the economic dilution where there are changes in the issue price of Shares issued under the 7.1A Mandate.

		Dilution			
Number of Shares on Issue (Variable A in Listing Rule 7.1A.2)		Shares issued – 10% voting dilution	Issue Price		
			\$0.006	\$0.012	\$0.018
			50% decrease	Issue Price	50% increase
			Funds Raised		
Current	692,136,191 Shares	69,213,619 Shares	\$415,282	\$830,563	\$1,245,845
50% increase	1,038,204,287 Shares	103,820,429 Shares	\$622,923	\$1,245,845	\$1,868,768
100% increase	1,384,272,382 Shares	138,427,238 Shares	\$830,563	\$1,661,127	\$2,491,690

*The number of Shares on issue (Variable A in the formula) could increase as a result of the issue of Shares that do not require Shareholder approval (such as under a pro-rata rights issue or scrip issued under a takeover offer) or that are issued with Shareholder approval under Listing Rule 7.1.

The table above uses the following assumptions:

- (i) There are currently 692,136,191 Shares on issue as at the date of this Notice of Meeting.
- (ii) The issue price set out above is the closing price of the Shares on the ASX on 6 October 2023.
- (iii) The Company issues the maximum possible number of Equity Securities under the 7.1A Mandate.

- (iv) The Company has not issued any Equity Securities in the 12 months prior to the Meeting that were not issued under an exception in Listing Rule 7.2 or with approval under Listing Rule 7.1.
- (v) The issue of Equity Securities under the 7.1A Mandate consists only of Shares. It is assumed that no Options are exercised into Shares before the date of issue of the Equity Securities. If the issue of Equity Securities includes quoted Options, it is assumed that those quoted Options are exercised into Shares for the purpose of calculating the voting dilution effect on existing Shareholders.
- (vi) The calculations above do not show the dilution that any one particular Shareholder will be subject to. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances.
- (vii) This table does not set out any dilution pursuant to approvals under ASX Listing Rule 7.1.
- (viii) The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
- (ix) The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 7.1A mandate, based on that Shareholder's holding at the date of the Meeting.

Shareholders should note that there is a risk that:

- (i) the market price for the Company's Shares may be significantly lower on the issue date than on the date of the Meeting; and
- (ii) the Shares may be issued at a price that is at a discount to the market price for those Shares on the date of issue.

(e) Allocation policy under the 7.1A Mandate

The recipients of the Equity Securities to be issued under the 7.1A Mandate have not yet been determined. However, the recipients of Equity Securities could consist of current Shareholders or new investors (or both), none of whom will be related parties of the Company.

The Company will determine the recipients at the time of the issue under the 7.1A Mandate, having regard to the following factors:

- (i) the purpose of the issue;
- (ii) the alternative methods of raising funds that are available to the Company, including but not limited to, entitlements issues, share purchase plans, placement or other issues in which existing security holders may participate;
- (iii) the effect of the issue of the Equity Securities on the control of the Company;
- (iv) the dilutionary effect of the proposed issue of the Equity Securities on existing Shareholders at the time of proposed issue of Equity Securities;
- (v) the circumstances of the Company, including, but not limited to, the financial situation and solvency of the Company; and
- (vi) advice from professional advisers, including corporate, financial and broking advisers (if applicable).

(f) Previous approval under Listing Rule 7.1A

- (i) The Company previously obtained approval from its Shareholders pursuant to ASX Listing Rule 7.1A at its Annual General Meeting held on 30 November 2022 (**Previous Approval**).
- (ii) During the 12 month period preceding the date of the Meeting, being on and from 30 November 2022, the Company has not issued any Equity Securities pursuant to the Previous Approval.

7.3 Voting Exclusion Statement

As at the date of this Notice, the Company is not proposing to make an issue of Equity Securities under Listing Rule 7.1A. Accordingly, a voting exclusion statement is not included in this Notice.
