About Atlantic Lithium

www.atlanticlithium.com.au

Atlantic Lithium is an AIM and ASX-listed lithium company advancing a portfolio of lithium projects in Ghana and Côte d'Ivoire through to production.

The Company's flagship project, the Ewoyaa Project in Ghana, is a significant lithium spodumene pegmatite discovery on track to become Ghana's first lithium-producing mine.

The Definitive Feasibility Study for the Project indicates the production of 3.6Mt of spodumene concentrate over a 12-year mine life, making it one of the top 10 largest spodumene concentrate mines in the world.

The Project, which was awarded a Mining Lease in October 2023, is being developed under a funding agreement with Piedmont Lithium Inc.

Atlantic Lithium holds 509km² and 774km² of tenure across Ghana and Côte d'Ivoire respectively, comprising significantly under-explored, highly prospective licences.

9 General Provisions

9.1 Costs and duty

- (a) Each party must bear its own costs arising out of the negotiation, preparation and execution of this Agreement.
- (b) The Purchaser must pay all stamp duty and any other similar transfer duties and taxes, together with any related fees, penalties, fines, interest or statutory charges, that may be payable on or in connection with this Agreement, any transaction evidenced by this Agreement and any instrument or transaction entered into under this Agreement.

9.2 No merger

The rights and obligations of the parties will not merge on the completion of any transaction contemplated by this Agreement. They will survive the execution and delivery of any assignment or other document entered into for the purpose of implementing any such transaction. Each indemnity in this Agreement survives the expiry or termination of this Agreement.

9.3 Amendment

This Agreement may be amended only by another agreement executed by all parties.

9.4 Assignment

No party can assign, charge, encumber or otherwise deal with any rights and obligations under this Agreement, or attempt or purport to do so, without the prior written consent of the other party.

9.5 Further assurances

Each of the parties shall execute, and procure that any necessary third party shall do, anything else in order to give full effect to this Agreement and the transactions intended to be effected by it.

9.6 Entire agreement

This Agreement contains the entire agreement between the parties with respect to its subject matter. It sets out the only conduct, representations, warranties, covenants, conditions, agreements or understandings (collectively **Conduct**) relied on by the parties and supersedes all earlier Conduct by or between the parties in connection with its subject matter. None of the parties has relied on or is relying on any other Conduct in entering into this Agreement and completing the transactions contemplated by it.

9.7 No waiver

No failure to exercise nor any delay in exercising any right, power or remedy under this Agreement operates as a waiver. A single or partial exercise or waiver of the exercise of any right, power or remedy does not preclude any other or further exercise of that or any other right, power or remedy. A waiver is not valid or binding on the party granting that waiver unless made in writing.

9.8 Severability of provisions

Any provision of this Agreement that is prohibited or unenforceable in any jurisdiction is ineffective as to that jurisdiction to the extent of the prohibition or unenforceability. That does not invalidate the remaining provisions of this Agreement nor affect the validity or enforceability of that provision in any other jurisdiction.

9.9 Governing law and jurisdiction

This Agreement is governed by the laws of New South Wales. In relation to it and related non contractual matters each party irrevocably submits to the non-exclusive jurisdiction of courts with jurisdiction there, and waives any right to object to the venue on any ground.

This Agreement may be executed electronically and may be executed in counterparts.

Where a person signs this Agreement electronically, the electronic signature is an effective binding signature, and the electronic document containing it can be an effective electronic counterpart of this Agreement. In addition, the person intends that any print out of the signature

will also constitute an effective original signature, so that the print out will also be an executed original counterpart of this Agreement.
