# Structural Monitoring Systems Investor Webinar

**Structural Monitoring Systems Plc (“SMS” or “the Company”) (ASX: SMN)** is pleased to announce that Executive Chairman Ross Love will host an investor webinar on Friday 9th February 2024 at 9.00am AWST / 12.00pm AEDT providing an overview and summation of the information provided in the December 2023 Quarterly Update and Appendix 4C.

The webcast will provide an overview of the results of the December 2023 Quarterly Report lodged with the ASX on 31 January and provide an update on the performance of the company’s three business entities, AEM Special Mission Avionics, the CVM™ technology business and AEM contract manufacturing.

Mr Love will also provide investors and interested parties with an update on the Company’s business strategy for the year ahead, growth targets and an update on the information available regarding the status of the CVM™ testing process with Boeing.

There will be an opportunity for those wishing to provide questions to Mr Love. Those wishing to register to view attend the webinar can do so via this link: <https://loghic.eventsair.com/smn-december-2023-quarterly-update/register/Site/Register>

A recording will be available on the SMS website as soon as practicable following the webinar.

**This ASX release has been approved for release by Executive Chairman Ross Love on behalf of the Board of Directors.**
