West Australian gold exploration and development company Rox Resources Limited (ASX: RXL) (**Rox** or the **Company**) is pleased to announce that is undertaking a capital raising of up to \$7.62 million (before costs) by way of a pro rata non-renounceable entitlement offer of new fully-paid ordinary shares in the Company (**Shares**) on the basis of one (1) new Share (**New Share**) for every eight (8) existing Shares held by Eligible Shareholders (defined below) (**Entitlement Offer**).

The proceeds of the Entitlement Offer will allow Rox to progress the next stage of exploration and development of its flagship asset, the 100%-owned 2.3Moz Youanmi Gold Project in Western Australia, which is one of Australia's highest grade emerging gold development projects.

The Entitlement Offer will comprise the issue of up to approximately 46,169,283 New Shares at an offer price of \$0.165 per New Share (**Offer Price**) per New Share, which represents a 26.7% discount to the Company's last closing price of \$0.225 per Share on the Australian Securities Exchange (**ASX**) on 22 April 2024 and a 24.0% discount to the 7-day volume-weighted average price (**VWAP**) of \$0.217 to the same date.

Under the Entitlement Offer, Eligible Shareholders will also receive one (1) free attaching new option for every two (2) New Shares issued, exercisable at \$0.25 per option and expiring 18 months from the date of issue (**New Option**).

The Company intends to use the funds raised from the Entitlement Offer to underpin near-mine exploration activities at the Youanmi Gold Project and completion of the ongoing Pre-Feasibility Study, scheduled for completion in June 2024, and to advance detailed geo-metallurgical studies ahead of future feasibility studies.

The Company will also attribute funds raised towards working capital, corporate and administrative expenses.

## Details of Entitlement Offer

Under the Entitlement Offer, Eligible Shareholders are invited to subscribe for one (1) New Share for every eight (8) existing Shares held, together with one (1) New Option for every two (2) New Shares issued (**Entitlement**). ## Management Comments

### Rox Managing Director, Mr Rob Ryan commented:

*“We are pleased to provide existing shareholders with the opportunity to participate in this pivotal capital raising of up to \$7.6 million at an important point in the Company’s development. With the Youanmi Pre-Feasibility Study well advanced and on track for completion in June, Rox has some exciting investment catalysts in front of it – particularly against the backdrop of a strong gold price environment.*

*“The PFS will provide investors with a clear line of sight towards the development of one of Australia’s highest grade new gold projects. At the same time, we have plenty of unfinished business with our near-mine exploration activities, and the additional funding will enable us to get rigs back out to site to resume testing of some of the exciting exploration opportunities we have defined.*

*“The Company is well position to pursue a dual track growth pathway underpinned by development of the 2.3Moz Youanmi Gold Project with ongoing drilling to unlock the Project’s considerable exploration upside.”*
