Dear Sirs

## **Legend awarded Energex contract**

Legend Corporation Limited is pleased to announce that its recently acquired subsidiary Cable Accessories Holdings Pty Ltd ("CABAC") has been awarded the prestigious cable connector contract by the Queensland based energy company, Energex.

The contract is in respect of the supply of equipment for terminating and joining of both underground and overhead cables. The contract is valued at \$2million over 3 years and clearly demonstrates CABAC's ability to win major contracts in a market where quality and continuity of supply is paramount.

Legend Chief Executive Officer, Bradley Dowe said "the integration of CABAC is progressing smoothly and we have identified a number of new growth opportunities including geographical expansion which we will pursue over the course of the coming year. Cabac has an ongoing emphasis on product engineering and the development of new technology connector solutions that will feature strongly in our strategy to increase our exposure to the Power Industry".

Best Regards
