### **Disclaimer**

This information is produced by a third party (Third Party Information). Caravel Minerals Limited commissioned Readleaf Securities to conduct this report. It may contain information about the activities of Caravel Minerals Limited and its subsidiaries (Group) but it does not purport to be a complete description of the Group and/or its various business activities. No representation or warranty, express or implied, is made by any person including Caravel Minerals Limited or its directors, officers, employees, advisers, agents or affiliates as to the fairness, accuracy, completeness, or correctness of the information, opinions and conclusions contained in this Third Party Information, or as to the reasonableness of any assumptions, forecasts, prospects or returns contained in, or implied by, this Third Party Information or any part of it. Caravel Minerals Limited assumes no liability and has no obligation to tell recipients if it becomes aware of any inaccuracies in or omissions from Third Party Information.

Except for statutory liability which may not be excluded, no responsibility is accepted by Caravel Minerals Limited or any of its directors, officers, employees, advisers, agents or affiliates for any loss or damage howsoever occurring (including through negligence) resulting from the access, use or reliance upon any Third Party Information by any person, and any such access, use or reliance is solely at your own risk. You are responsible for forming your own opinions and should seek your own independent professional advice in relation to Third Party Information. In particular, you are cautioned not to place undue reliance on any forward-looking statements, forecasts or views as to prospects in any Third Party Information, as there can be no assurances that actual outcomes will not differ materially from such forward-looking statements.
